FORMATION FOR PARISH R.C.I.A. TEAMS Mark the dates! We are pleased to offer a series of four virtual formation sessions led by Catherine Ecker, a lead Canadian voice in Rite of Christian Initiation of Adults (R.C.I.A.). Each session will take place on Zoom and run from 7:00 – 9:00 pm. The dates will be **January 30th**, **February 13th**, **March 6th**, and **March 20th** and upon the completion of four sessions each participant will receive a certificate from the Archdiocese. This formation is designed for Parish R.C.I.A. teams and others involved in sacramental initiation but is open to anyone interested and would like to learn more. Contact Karen at 387-4198 or karen.diocese@gmail.com. Register online by www.diomoncton.ca → Pastoral Offices → Adult Faith → Formation Opportunities.

CONVERSATIONS AROUND DEATH AND DYING (Rexton/Richibucto) Since 2016, a diocesan committee has been offering formation and information sessions in response to the legalization of medical assistance in dying (MAiD). One theme arising from these sessions was that many of us are uncomfortable discussing the subject of death. However, honest conversations (about values, good palliative care, or advanced care planning) can help to improve the care we receive at the end of our lives. In response to this, the diocesan Committee looking at End of Life Pastoral Care is planning a session for **Saturday, January 28th at Immaculate Conception Church in Rexton (10 School Street) from 10:30 am – 12:00 pm**. The session will be led by Pam Driedger, member of the Adult Faith Commission and a Director of Spiritual Care at the Moncton Hospital with Horizon Health Network. The aim of this session will be to help families start conversations about death and dying before circumstances force them to. How can families and loved ones accompany those who find themselves struggling with illness, pain and difficult medical circumstances? Register with Karen LeBlanc at 387-4198, karen.diocese@gmail.com or online at www.diomoncton.ca → Pastoral Offices → Adult Faith → Formation Opportunities.

Global Inequality

Today let us reflect on the imbalance the world's economy has developed. The desperate situations much of the world faces just to make it through another day. Our Holy Father calls us to live a healthy life, sharing the world's bounty, always raising up those less fortunate. Let us reflect on Pope Francis' message:

48. The human environment and the natural environment deteriorate together; we cannot adequately combat environmental degradation unless we attend to causes related to human and social degradation. In fact, the deterioration of the environment and of society affects the most vulnerable people on the planet: "Both everyday experience and scientific research show that the gravest effects of all attacks on the environment are suffered by the poorest".

49. It needs to be said that, generally speaking, there is little in the way of clear awareness of problems which especially affect the excluded. Yet they are the majority of the planet's population, billions of people. These days, they are mentioned in international political and economic discussions, but one often has the impression that their problems are brought up as an afterthought, a question which gets added almost out of duty or in a tangential way, if not treated merely as collateral damage. Indeed, when all is said and done, they frequently remain at the bottom of the pile.

50.To blame population growth instead of extreme and selective consumerism on the part of some, is one way of refusing to face the issues. It is an attempt to legitimize the present model of distribution, where a minority believes that it has the right to consume in a way which can never be universalized, since the planet could not even contain the waste products of such consumption. Besides, we know that approximately a third of all food produced is discarded, and "whenever food is thrown out it is as if it were stolen from the table of the poor".

52.We need to strengthen the conviction that we are one single human family. There are no frontiers or barriers, political or social, behind which we can hide, still less is there room for the globalization of indifference.
