Calhoun County Junior Livestock Show

General Rules

Co-Chairs: Carlton Hoefling & Mike Wall

1. Entries are subject to all general and division rules of the Calhoun County Junior Livestock and Poultry Show.
2. The Junior Livestock Committee reserves to its members the final and absolute right to interpret all rules and arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of or connected with, or incident to the Junior Livestock and Poultry Show. The Junior Livestock Committee reserves the right to amend or add to these rules as its judgment may determine. Any exhibitor who violates any of the general or division rules will forfeit all privileges and premiums won.

Exhibitor Eligibility

3. The exhibitor must be enrolled in a public, private, or home school program and be an active member in good standing of Calhoun County 4-H or FFA programs at the time their respective entries tag-in and through the duration of the of the Calhoun County Fair. Alternates must be authorized by the Division Superintendent.
4. 4-H and FFA members must attend six (6) organizational meetings during the project year (Show day to Show day) to be eligible to exhibit their project.
 - a. First year exhibitors are exempt from this rule. First year exhibitors are those individuals who have not yet previously entered and/or exhibited an animal project as a bonafide 4-H and/or FFA member at the Calhoun County Fair.
 - b. Youth participating in the Young Exhibitors Show are exempt from this rule.
5. Exhibitors must be in good standing with their school and UIL eligible to participate in all aspects of the show on the first day and remain eligible for the duration (10/17—10/22/2017). This rule will be enforced by Calhoun County Junior Livestock Committee for all 4-H & FFA exhibitors. Youth participating in the Young Exhibitors Show are exempt from this rule.
 - a. Eligibility will be checked by Calhoun County Extension Office the Friday before show day. The Junior Livestock Committee reserves the right to recheck eligibility on any exhibitor during the duration of the fair.

- b. Any exhibitor declared ineligible to exhibit livestock or poultry in the Calhoun County Fair may not participate in any form or fashion in the show, including weigh-in, feeding, grooming, stall cleaning, etc. The ineligible exhibitor will not receive an exhibitor badge.

Ownership:

6. All entries must be owned, exhibited and sold by members of a 4-H club or FFA chapter in Calhoun County. Exhibitors must have continuously, personally fed and cared for the entries under the direct supervision of an Agriculture Science Teacher or County Extension Agent. All projects will be fed and cared for exclusively by the exhibitor during the feeding period.
7. Exhibitors must own their animals at the beginning of and throughout the feeding period established for each division.

Entry Requirements:

8. Exhibitors may exhibit only one entry per division in the market divisions, excluding the poultry division. Poultry exhibitors have the opportunity to exhibit one entry in each Poultry Subdivision. Example: An exhibitor may exhibit a Turkey, Roaster and Broiler Pen, should they so choose.
9. All entries will be tagged in at the designated time and location established for each division. Entry cards for each animal must, and any other paper work needed by the Youth Livestock Committee (W9's, etc.) be filled out at the time of tag-in. Failure to comply will result in disqualification of the animal from the Fair. The feeding and fitting period shall begin on the tag-in date.
10. All exhibitors must designate 4-H or FFA at time of tag-in. This can not be changed during the project year.
11. All entries must be declared as either a market entry or breeding entry at the time of tag-in.
12. At the time of tag-in, each exhibitor will pay a \$10.00 entry fee for each division tagged-in for the purpose of junior livestock show improvements.
 - a. Exhibitors participating in the Young Exhibitors Show are exempt from this rule.
13. There will be no rule changes after tag-in.
14. Each exhibitor must complete a W-9 with their social security number. In the event the total add-ons exceed \$600, then a 1099-misc form must be submitted to the IRS. If a completed W-9 is not received then the exhibitor will not be able to show their project.

Animal Health:

15. All entries must comply with the health rules and regulations of the Texas Animal Health Commission governing livestock and poultry exhibitions.
16. The USDA Wholesome Meat Act applies to all market livestock exhibited.
 - a. An animal must be in good health and carcass be free of drug or chemical residues.
 - b. Drug and feed label directions for use and withdrawal periods must be followed.
 - c. If drug or chemical residues are found in tissues of a carcass, the entire carcass may be condemned.
17. A copy of the completed and approved P.T.-03 form must be on file at the 4-H or FFA Office. (Handled through the Extension Office.)
18. The Calhoun County Fair Association, Junior Livestock Committee or Auction Division will in no way be held liable or responsible for conditions of carcasses or sale price of animals found in violation of this act.

Sifting:

19. All market entries will be inspected by a sift judge to determine fitness of animals for competition. The decision of the sift judge will be final and no protests will be considered. Sifting will be conducted according to the rules established for each division.
20. If an entry is sifted, the exhibitor may immediately present another project to the sift judge, providing the substitute has been properly entered and is on the Fairgrounds.
21. All sifted entries must be removed from the grounds immediately after sifted.
22. All exhibitors must be present for Division sifting or animal will be sifted, unless prior approval is granted by division superintendent.

Scales:

23. At all times, the scale weight at the fairgrounds will be the official weight.

Re-Weigh:

24. All market animals will be subject to a weigh-back at the discretion of the division superintendent or judge. Following the placing of each class, an animal can be re-weighed. Those not meeting minimum weight requirements or weighing more than 5% above the weigh-in

weight will be disqualified and lower placing animals advanced in ranking.

Judging:

25. All classes will be placed in numerical order.
26. Where there is only one entry per class, the judge may award a placing of such grade as the animal deserves.
27. Showmanship will be judged as the animals are placed in each division. A Junior Showmanship Award (9-13 by August 31 of current calendar year) and a Senior Showmanship award (14 and up by August 31 of current calendar year) will be given.
28. Herdsmen Award –Awarded to exhibitors who have cooperated in making the best possible presentation of his/her exhibit to the public and have helped in keeping the show building neat and attractive. Exhibits will be judged daily throughout the duration of the fair by the judging committee. Judging will be based on a number of items, such as care of animals (clean, well groomed), condition of pens (bedding, removal of manure, clean feed and water pails, etc.), clean alleyways/aisles, and exhibitor interaction with public, show staff, and fellow showmen. One exhibitor in each division will be presented with a \$100 check for the Herdsmen Award on release day.

Grand & Reserve Champions:

29. The Grand and Reserve Champion entries in each market division will be required to sell in the auction. All other market projects entered by exhibitors of Grand or Reserve entries will become ineligible to compete in that year's show.
30. Grand and Reserve Champion market steers, swine, lambs, and goats will be chosen from the top two entries in each class.

Animal Care:

31. Only sand may be used as livestock bedding. The use of astro-turf, carpet, or rubber mats will be allowed in the pen from 4:00pm until the conclusion of the swine show. Steer exhibitors may use rubber mats in their stalling area for the duration of the stalling period. Bedding will be furnished for poultry.
32. All buckets, pails, troughs or other equipment must be removed from the barn or stored out of sight when feeding and watering is completed. Show boxes must be stored neatly and out of the way, the superintendent has the discretion to ask for a show box to be removed. Hog self-watering devices will not be allowed in hog pens until Thursday morning.
33. Shearing of all goats and lambs will be allowed only on the outside of the Northeast corner of the show barn (same end at the hog wash racks). No shearing will be allowed in any other area of the show barn.

34. Each exhibitor is responsible for the care of his/her entry and stall area until the animal is released from the fairgrounds. A fine of 10% of the auction sale price will be placed on each exhibitor who does not keep his/her stall clean during the fair or does not clean their stall when the animal is released.
35. **On the Sunday after the Livestock Show, a mandatory clean-up will be held. This is mandatory for all exhibitors and will start at 7:00 a.m. by the official time at the bleachers in the middle of the barn and conclude when Bauer Barn is clean. If the exhibitor *has not checked in at the official time or fails to show up by 7:00 a.m.*, the exhibitor will be fined 10% of the auction price of their project with a \$500 cap. It will be the division superintendent's responsibility to notify the auction committee of any and all fines.**

Release:

36. Animals **cannot be removed** from the fairgrounds until the exhibitor has been released by the Division Superintendent.

Exhibitor Conduct:

37. Exhibitors will not be allowed to remain after hours.
38. Any exhibitor showing unsportsmanlike conduct or using profane language will be barred from the show.

Unethically Fitted Livestock:

39. Each exhibitor and parent/guardian will be required to sign a disclosure identifying all substances used in or on the animal during the 45 days prior to the show.
40. The showing of unethically fit livestock or the misrepresentation of breeding or age is prohibited. The exhibitor specifically represents that no animal entered by him/her is unethically fitted and that the breeding and age are correct. The exhibitor agrees to submit any animal entered to inspection by any veterinarian appointed by the junior livestock committee and agrees to have the animal submitted to such tests as may be requested, and that the conclusions of the veterinarian shall be final and conclusive, without recourse against the Calhoun County Fair Association or Junior Livestock Committee or any officer, director or employee thereof, or any veterinarian as appointed by the Junior Livestock Committee.
41. Unethical fitting will be deemed to consist of any method of altering the normal conformation of any part of the animal's body, as evidenced by the presence of abnormal tissue or foreign substances. This includes but is not limited to the following:
 - a. surgery or other practices performed to change the natural contour or appearance of the animal's body, hide or hair, except the removal

of warts, teats or horns, docking of tails, and the clipping and dressing of hair and trimming of hooves,

- b. insertion of foreign material under the skin, (implants are allowed in steers)
- c. changing the major color pattern of the animal by painting or dyeing,
- d. no pumping of any kind will be allowed; drench guns of 500 ml capacity or less are allowed, and
- e. administration of a drug of any kind or description internally or externally except for treating a recognized disease or injury.

The term "drug" shall mean any substance, the sale, possession or use of which is controlled by license under federal, state or local laws, or regulations and any substance commonly used by the medical or veterinary professions which affects the circulatory, respiratory or central nervous system of livestock. Unless otherwise established by the Food and Drug Administration (FDA) or the United States Department of Agriculture (USDA), samples collected from the show animals will have zero tolerance for any identifiable drug, chemical, feed additive, insecticide, wormer or vaccine.

- 42. Administration of any drug, chemical or feed additive on the show grounds must be immediately reported in writing to the division superintendent and shall include date, product, amount, route, administered by, reason and withdrawal time.
- 43. Animals can be selected at random for testing during weigh-in at the show. Animal's positive to any drug test will be disqualified. However, the ranking of animals in the show shall remain unchanged regardless of drug test results.
- 44. All prizes, premiums and sale monies will be held until drug tests are completed.
- 45. The Junior Livestock Committee is authorized, in the event any animal is declared in violation of this rule, to bar permanently such animal, owner or exhibitor from further participation in the Calhoun County Junior Livestock and Poultry Show. In addition, the owner and exhibitor forfeits all rights to any prizes, premiums or sale proceeds.

Liability:

- 46. In no case shall the Calhoun County Fair Association or Junior Livestock Committee be held responsible for any loss, damage or injury of any character to any livestock or poultry at any time or place.

Use of Livestock Entries in Livestock Judging Contest:

47. The Calhoun County Fair Association and the Junior Livestock Committee reserve the right to use any livestock project entered in the junior livestock show for the livestock judging contest held on Friday (Entry into the Fair authorizes the use of the livestock for the judging contest.)

Protests:

- 48a. All protests must be in writing and be accompanied by a deposit of **\$300.00** which will be forfeited if protest is not sustained. Such protest must state plainly the cause of complaint or appeal and must be delivered to the Livestock Show management immediately after occasion for such protest.
- 48b. Judging protests will be accepted prior to judging or immediately at the conclusion of judging. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, a decision may be withheld until complete investigation has been conducted. Protests concerning ages of animals must be filed with the Livestock Show management prior to the day on which the animals are to be judged.

PROGRESS SHOW DIVISION

Superintendents: Eric Taylor

1. Two Progress Shows/Clinics will be conducted during the feeding period for steers, heifers, lambs, goats and hogs. Exhibitors will be given instructions regarding the technique of fitting and showing animals. The animals will be placed according to showmanship.
 - a. All market steer, breeding heifer, market lamb, breeding ewe, breeding doe and market goat exhibitors are required to attend *and to exhibit **IN FRONT OF A JUDGE*** every tagged animal at one of the two **SCHEDULED** progress shows. An animal tagged in by more than one exhibitor must be shown at least one progress show. Failure to comply with these rules will result in disqualification.
 - b. All Swine, Poultry, and Rabbit exhibitors are required to attend one of the two **SCHEDULED** clinics (animals are not required). Failure to comply will result in disqualification.

MARKET STEER DIVISION

Superintendents: Mike Wall, Tommy Stanfill (Asst.), Monte Moncrief (Asst.)

Judge: Justin Taylor

Judging will be conducted in two breed departments:

- a. American breed and crossbred; Entries may be purebred or crossbred Beefmaster, Brahman, Brangus, Red Brangus, Santa Gertrudis or Simbrah steers. All steers in this department must show predominate breed characteristics of one of these breeds.
 - b. European Crossbreeds and other Breeds; Entries will include any cross or other breed of steer not in the American Breed Department. This steer department will also be made up of steers which are classified out of the American Breed Department.
2. It will be the total responsibility of the exhibitor to declare the breed. However, final determination of breed classification will be made by a classifier(s) when the steer is tagged. This determination is based on visible characteristics of the steer. Judgment of the classifier(s) is final and not subject to protest.
 3. There is no tooth rule.
 4. All steers must be clipped and have no more than one-fourth inch (1/4") of hair on any part of the animal's body at the time of show. The only exception will be the tail switch.
 5. Each breed having ten (10) or more entries will be divided into two classes: lightweight and heavyweight.
 6. There will be no breed or class changes at the time of judging. Any steer in the wrong class will not be allowed to show.
 7. All steers must weigh in at a minimum of 1,000 pounds at fair time and must gain at least 1.5 pounds per day from tagging date until weigh-in at fair.
 8. At the tagging, weights will be taken for a Rate-of-Gain award to be presented during the Fair. The average daily gain will be determined for the feeding period.
 9. Breed Champion and Reserve Breed Champion steers will be chosen from the top two entries in each department class and receive rosettes. Grand and Reserve Champion Market Steers will be selected from the breed champion and breed reserve champions.
 10. Steers must be of show quality.
 11. Any steer that is wild, unmanageable or requires handling by more than one exhibitor during sifting or judging may be removed from the ring, considered sifted and barred from sale.

MARKET SWINE DIVISION

Superintendent: Jimmy Hayes, Mark Blinka (Asst), Tommy May (Asst.), David Zwerschke (Asst.), Kyle Hranicky (Asst)

Judge: Charles Hodde

5. Weight classes will be determined by the superintendent of this division.

RABBIT DIVISION

Superintendent: Ricky Frederick

Judge:

1. All entries must be in prime condition.
2. All entries must be free of defects and disease.
3. Entries will be allowed to tag-in as families.
4. Pens will consist of three (3) rabbits of the same breed and variety. Only meat types with white pelts may be exhibited.
5. A maximum of five (5) rabbits will be allowed in the barn at weigh-in per exhibitor. The exhibitor may use two rabbits as alternates in the result of a rabbit being disqualified. All alternates must leave the show barn before judging takes place.
6. All rabbits must be permanently tattooed in the left ear. Early tattooing by the breeder is acceptable. Exhibitors whose rabbits are tattooed early by the breeder must still present rabbits at validation. **Rabbits previously tattooed must have excess tattoo ink cleaned from ears making tattoo legible.**
7. Each rabbit shall weigh between 3.5 and 5.0 pounds.
8. Validation, Show Entry and Tattooing will take place on Sept 12, 2017
9. All exhibitors **MUST** attend at least one clinic. Failure to attend will result in disqualification.
10. Exhibitors wishing to participate in rabbit showmanship will be divided into a junior division and senior division.
11. **Each exhibitor will be responsible for processing his/her pen of rabbits, have them verified by the County Extension Office before delivery to the buyer no later than the Friday following the release of animals . Failure to comply will result in forfeiture of the auction sale price.**

MARKET POULTRY DIVISION

Superintendents: Kathy Awalt, William Hahn (Asst.), L'Roy Bell (Asst.)

Judge: Alisa Zulkowski

All exhibitors must purchase birds through the Extension Office for 4-H or Vocational Agriculture for FFA.

1. Unless prior exemption is granted by superintendent, all first time poultry exhibitors are required to attend the poultry processing workshop. Failure to attend will result in disqualification.
2. Sifting will be based on physical condition of birds. All birds must be free of defects, external parasites and breast blisters.
3. All birds will be wing-tagged prior to issuance to exhibitor. If a bird loses a wing band you must notify the poultry superintendent prior to show. It is up to the discretion of the superintendent to decide if the bird can be shown. Only wing-band numbers originally assigned to individual exhibitors and/or brothers and sisters of a single family will be accepted. Any birds that have died or lost their wing-bands prior to the time of issuance will be issued replacement birds at the time of issuance as long as there are replacement birds available. These replacement birds will have a different series of wing-band numbers which will be recorded for any recipients.
4. Exhibitor cards cannot be placed on cages until judging is completed.
5. Exhibitors are responsible for feeding and cleaning the pens of their bird(s) through fair week. A morning and evening feeding is required and will be monitored by the division superintendent. The superintendent will check pens from 9:00 - 9:30 am (morning) and 7:00 - 7:30 pm (evening). Failure to comply with this rule may make the exhibitor subject to penalties stated in General Rule 31.
6. Each exhibitor will be responsible for dressing his/her bird and for delivering the dressed bird to the buyer no later than the Friday following the release of animals. **Before delivery to the buyer, the exhibitors processed bird(s) must be delivered on ice (not frozen) to their Agriculture Science Teacher, County Extension office, or an individual appointed by these supervisors for processing inspection and verification.** Failure to comply will result in forfeiture of the auction sale price.

AUCTION DIVISION

Auction Superintendent: Chris Wall

Show Works Superintendent: Ali King

Committee: Sidney Hoefling, Debbie Klump, Fred Knipling, Mark Malaer,
Diane Parish, Joyce May, Katherine Sutherland,
Shyanne Hranicky

1. No sifted or breeding animals will be sold at auction.
2. Only one animal per exhibitor may be sold. All exhibitors who have entered more than one project must notify each Superintendent immediately on completion of the judging as to which animal will sell. Otherwise, the Junior Livestock Committee will select the selling project.
3. All placing animals will be sold in the order of their placing.
4. The Auction will be limited to a maximum of 180 projects. If a limited sale is adopted, those exhibits with the least desirable quality in each division will not be sold. The placing judge will determine which animals are eligible for the sale.
5. Each exhibitor will be charged a commission of 4% on sale price and add-ons.
6. Checks will not be issued to exhibitors until after December 1, 2017 and until a **thank-you letter to the buyer, the exhibitor's completed project record, and, if applicable, processing verification have been submitted** to the exhibitor's Agriculture Science Teacher, County Extension Agent, Rabbit Division Superintendent or, Poultry Division Superintendent. Neither of these articles will be accepted until Monday following the sale. The exhibitor is responsible for submitting these items to their respective supervisor by close of business on November 10th. If this deadline falls on the weekend, the deadline will become close of business on the following Monday. If an exhibitor fails to meet this deadline they will be fined 10% of their auction sale price, with an additional 10% fine for every month these items are late. If the exhibitor has not met this deadline by March 15th they will forfeit their entire auction sale price and become ineligible to show in the next year's Calhoun County Junior Livestock Show.
7. No artificial dressing will be allowed in the auction ring. Animals must sell as they were shown. (Examples: No glitter or glitter containing compounds, Livestock Paint etc.). Violation of this rule will result in a 10% deduction of exhibitor's auction premium.
