Acrylic Painting Workshop **January 20, 2018 - Brenna George \$55**

This beginner's workshop draws upon your personal photographs and still life's as inspiration for painting. Participants will be introduced to using colour theory, creating 3D looking imagery, brush handling, glazing and how to build up your acrylic painting. You will be guided through all the steps from starting to finishing a painting.

We will complete a variety of quick projects using acrylic paint, due to its rapid drying properties, and one longer painting. This workshop has plenty of demonstrations, individual attention and includes positive and supportive critique.

If there is a topic you would like to suggest for our workshops speak to any member of the Workshop Committee:
 Briony Haig brhaig@gmail.com

The 2018 cost of a one day workshop, for members will be \$55. The non-members surcharge for a workshop of any duration will remain at \$20.00, plus the appropriate fees at the member level.

March 2018 Workshop

Ruth Kamenev will be teaching a watercolour techniques workshop including painting fur and feathers on Saturday March 17th from 10am - 4:00pm. More details to follow.

What kind of workshop subjects would you like to see... Please send Briony Haig an email at brhaig@gmail.com, or speak to Dave Nichols, Elaine Clerc, Genevieve Henderson, or Marilyn Friesen at the club.

Thanks for your input. Sincerely, **Briony**, The Workshop Committee

LEADING EDGE WORKSHOP

URBAN LANDSCAPE FAST AND LOOSE – FEATURING REX BEANLAND
 APRIL 20 – 22ND

This workshop will be in watercolor and acrylic. It is for experienced beginner to intermediate level artists. The focus of this workshop is to create urban landscape paintings that are loose and impressionistic and can be completed quickly. We want to create paintings that demand attention, paintings that capture the viewer's eye and draw them right in. We want to be bold and adventurous in our use of value and color and we want to become confident in our ability to include people and vehicles in our paintings. The workshop will include demos, exercises and individual attention.

Invites you to Over and Under the Water: Paintings and Sculptures by Bill Rademaker

From January 3 to 30, 2018
Artist Reception: Sunday, January 7 from 2 to 5PM
Hours: Tuesday to Saturday 11AM to 5PM

ABOUT THE SHOW:

This is my first exhibition and it focuses on the two passions I have in the natural world...underwater life as seen from my scuba diving perspective, and trees, showcasing my love for woods both domestic and exotic. Sculptures are done with a wide variety of woods, including lindenwood, burl maple, purpleheart and rosewood. I am embarking on a journey of discovering many new woods as well as continuing my quest to mingle with sharks and other unique species.

ABOUT THE ARTIST:

Bill Rademaker is a Manitoba artist specializing in acrylics, oils, wood carving and combinations of all. He is new to the local art scene, having retired from a full working career and recent years in Nashville. Bill began in oils and wheel ceramics but now focuses on acrylics and wood carvings. He is an avid scuba diver and specializes in shark diving. He has dived all over the world, having spent more than 300 hours underwater admiring the incredible life there. He is self-taught, having begun artwork in high school and had some limited local gallery exposure. He displayed in Art Expo 2017 for the first time.
