Provides input to Director of Pharmacy regarding selection of vendors and inspection of pharmaceutical items received. Provides input to Director of Pharmacy for establishing and maintaining policies and procedures for the Pharmacy. Performs other duties as required.

REQUIREMENTS

- California State registration as a pharmacist.
- 1-2 years of experience.
- Analytical and grammatical skills are necessary to communicate effectively, verbally and in writing.
- Must be fluent in spoken and written English.
- Must be able to fulfill the essential functions of the position.

COMPENSATION:

- \$150,000 - \$220,000
- Full Benefits

THE COMPANY:

For over 50 years, our client has provided superb clinical care to patients in the Central Valley of California. This care is deeply rooted in our belief that our patients expect and deserve to be treated in the same manner they would want for our own families and loved ones. They provide a broad range of services in collaboration with an exceptional Medical Staff, many of whom are Board Certified in their specific specialty. They strive to deliver these services with the highest level of clinical quality, with a sincere and humble appreciation for the critical role we play in the lives of our patients and our community.
