

Salon & Cosmetology Services

Sometimes, performing simple tasks such as washing hair and grooming nails becomes a challenge when impaired memory is involved. Clarendon's on-site salon is staffed by caring, experienced licensed professionals with years of experience in working with the senior population. We can assist families in maintaining hair, scalp, and nail health as well as raising the self-esteem of our clients. Services include:

- Wash & set
- Color
- Cut
- Style
- Nail grooming
- Nail grooming with polish change
