DESCRIPTION: RARE 1954 Bear Polar. This would be a great addition to your collection, or for the traditionalist that likes shooting an old straight/long bow. Bow has no delamination; no cracks; limbs are straight. No drilled holes. No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Riser and limbs have been reconditioned. A new leather grip has been installed. The Polar decal is still visible, but the Bear decal is missing.
