

ACCEPTING MONETARY DONATIONS FOR THE PURCHASE OF NEW COATS

With many families with young children experiencing difficult economic times, the Knights of Columbus instituted the 'Coats for Kids' program in 2009. This is an opportunity for the Monroe Council #1266 to once again become involved in the community by providing warm winter coats to the children in need.

Charity is our primary objective as a Knight of Columbus member! We are taking on the challenge to provide coats to as many children as we possibly can, but we can not do it by ourselves. As one of the largest charitable organization in the world, the Knights of Columbus, through fund raising efforts, provide coats for kids all around the world. All of the monies collected by our council will provide coats to the children in our community.

PLEASE HELP US KEEP OUR CHILDREN WARM THIS WINTER!!
