

# *Donna Harrell*

Donna G Harrell is a native Washingtonian and the most recent member of the Oracle Set Book Club. She is happily retired, married to Rodney – 40+ years, a mother of two, grandmother of two awesome granddaughters and National Officer of Gamma Phi Delta Sorority, Inc. Donna graduated from McKinley HS and American University where she majored in Mass Communications. She was previously employed at ABC -Radio and Voice of America. Her retirement has allowed her to enjoy other pursuits –volunteering, joining Oracle Set Book Club, line dancing, learning sign language and playing pickle ball to name just a few.

Donna states ‘I love my Oracle Set Book Club Membership. The ladies are phenomenal. I have been introduced to authors and books I would have overlooked on my own and I receive the needed incentive to actually finish reading the books. The discussions are engaging and enlightening. I never know what social issues we will manage to solve during our discussions(smile).

Before retiring I was unable to attend the annual luncheon. I look forward to not only attending but assisting with the annual luncheon. It is wonderful to be associated with such a great cause – providing college scholarships for DC high school students.’
