

Protecting our 2A Rights - Issue 6

This last week we had the Virginia Lobby Day where 20,000 plus 2nd Amendment supporters convened upon the Virginia Capitol grounds to discuss and debate the proposed gun control laws. The media tried to paint this rally as being violent and were disappointed that it wasn't. The below video of [Louder with Crowder](#) is an entertaining look at the reporting.

Also, the March for Life was in Washington D.C., with President Trump being the first sitting President to attend.

The biggest news was the start of the Senate Impeachment Trial. This impeachment fiasco demonstrates the importance of defending our 2A rights. Can you imagine what can happen the next time one party controls both houses of Congress and they disagree with the President? They just need to create a fake impeachment and run it through Congress. We aren't that far from them then trying to disarm the citizenry.
