These are uncertain and challenging times. However, we continue to trust in an almighty, all-knowing, all powerful God! Praise the Lord for this truth! He isn't surprised. He knows what is happening, and in the midst of the challenge, He gives us peace that surpasses all understanding. Praise the Lord!

While the COVID-19 pandemic is a significant disruption to our normal services and plans, we praise God that we can still get together to worship. Thank you for joining us today.

On the back of this newsletter, you will find information on how you can pray over the next weeks for our church, our cities, our nation, and the world. May we shine the light of Jesus during these times.
