"Your simple, low-cost banner Stretching System"

Newsletter - March 10, 2016

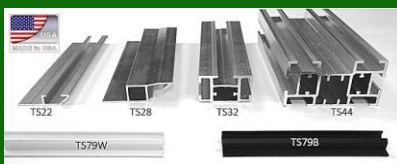

## IN THIS ISSUE:

- [Do More Than Stretching Banners](#)
- [Hardware Products Review](#)
- [Applications: Rigid Frames](#)
- [Applications: Ceilings](#)
- [Applications: Structures](#)

## SO MANY APPLICATIONS...

**REALIZED WITH A HANDFUL  
OF EXTRUSIONS**

Welcome To Our Newsletter 

## With Our Banner Stretching Product Line Offer More Than Perfectly Stretched Banners

With the same products that you appreciate to realize perfectly stretched banners you also can propose to your prospects and clients many other solutions using the same extrusions plus some hardware.

## Hardware Product Line

Our TS32 and TS44 extrusions with their multiple channels let you go beyond standard banner stretching frames and fabricate structures and architectural designs.

Such as:

- **Rigid Frames**
- *Hung to walls*
- *or hung from ceilings*
- **Structures and Architectural Projects**
