

Child Abuse Prevention Month Pinwheel Gardens

Did someone help you have a great childhood when you were young – perhaps a parent, sibling, teacher or coach? Do you help children in your life today have a great childhood – your own kids, nephews or nieces, or maybe children you mentor or babysit?

Throughout April, celebrate the lives you touch and those who have touched yours by honoring them with a pinwheel – the national symbol for the great childhoods all children deserve, because our children are our future.

Be a Pinwheel Gardener and blanket Buncombe County during Child Abuse Prevention Month

Our goal is to have Pinwheel Pop-up Gardens all over the county during April for Child Abuse Prevention Month. Pinwheels in neighborhoods, in front of local businesses, and all over our community. These gardens will represent that all children deserve a healthy and happy childhood, and you can help spread the word, empower the community, and show support by planting your own Pinwheel Garden this year! The proceeds from your order will go to Mountain Child Advocacy Center and Prevent Child Abuse North Carolina. Together we can make a difference!

Thank you for supporting our mission to prevent child abuse and provide treatment and advocacy for our community's children in need!
