

# PURIM TRIAD ECLIPSE PATTERN 2025-26

## SOLAR AND LUNAR ECLIPSE PATTERNS CORRESPONDING TO FEASTS OF YHVH

This Chart shows the Timeline, focused on the Years 2024-2025-2026. One surmises that perhaps, the Rapture Year could very well be in 2024. This is predicated on the 7-Year Anniversary Year of both the Revelation 12 Sign and the 3rd Great American Eclipse. Taking a Pre-Tribulation Interpretation, it would follow that the Year 2025 would then most likely be the Time when the Tribulation Period would begin. Here are some Observations. Note that the Triad of Blood Moons corresponds to this start of the Time-Frame of 2025. It could possibly confirm, Astronomically the start of Daniel's 70th Week. Note also that the 3 Blood Moons Triad, which are Bad Omens for the Jews, has its Beginning and Last Blood Moon Eclipse occurring precisely on the Feast of Purim. Then the Solar Eclipse that corresponds to the Middle Blood Moon of the Triad occurs on Rosh HaShanah. This Purim Blood Moon Triad of 2025-26 had a Prelude, also on a Purim Feast. It was that in 2024, the Lunar Eclipse subsequently occurred right after, but was not technically on Purim, in one's Interpretation. For 2024, Purim started on the Evening of March 23 and Ended on the Evening of March 24. A Penumbra Lunar Eclipse occurred on the 25th.
