# Maguire State Missions Offering

Did you know that 75% of Florida's 21 million population—15 million-do not have a saving relationship with Jesus Christ?

There is no doubt we are living through a challenging season. Every church has been required to shift and adapt ministry plans. These same challenges, and more, exist for church plants across the state of Florida. The Maguire State Mission Offering is dedicated 100% to support church planting in our state. When you give, you become a critical partner in these ministries. Now more than ever the need for the Gospel is evident and more churches are needed to help share the love of Jesus. To donate, please make your check payable to IBC and note that it is for "State Missions". Thank you!
