Mulligan's Manor

A portion of our fundraising efforts will go to support Mulligan's Manor, a loving and supportive group home dedicated to at-risk gay, bisexual, transgender, questioning, and heterosexual adolescents from 12-17 years old. Mulligan's Manor is a family-oriented, LGBTQ -friendly community that nurtures and empowers our youth and their allies to reach their full potential, as well as provide tools for a safe and healthy life. A "mulligan" is a second chance to experience the love and respect that every child needs and deserves.

Mulligan's Manor focuses on "trauma-informed" methods of support while providing 24/7 year-round residential care, recognized by the State of Arizona. Residents participate in extracurricular activities, learn about and partake in community service efforts throughout Phoenix. With approximately 7,000 youth in Child Protective Services in Maricopa County, there are likely hundreds of LGBTQ children and allies in need of respectful and safe housing. As the only LGBTQ group home in Arizona, and only 1 of 3 in the nation, their primary goal is to support youth who have experienced trauma and need individual attention with on-site, 24/7 support focused on building healthy, positive relationships that will support the youth in their future career goals.

Kristine W

Billboard Magazine's "Artist of the Decade" headlines the Blush & Bashful Gala. Known for legendary tracks like "Wonder of It All", "Sweet Mercy Mee", and "Feel What you Want", Kristine W is a prominent artist in today's music landscape. She's worked with clubland's most explosive DJ's, including Junior Vasquez, Tony Moran, and Offer Nissim. Kristine W, a former beauty queen who competed in the Miss America Pageant as Miss Washington (winning the swimsuit competition, as well as the talent competition with her rendition of Summertime) has made significant accomplishments in her 15+ years in dance music. Most notably, she has released 16 #1 dance hits, tying Mariah Carey with the third-most chart toppers on the Billboard Dance/Club Play Songs chart. Only Madonna (with 40) and Janet (19) have scored more #1s. Based out of Las Vegas, she is very active in LGBTQ activism and events throughout the nation.
