## A Christ-Centered Recovery Program

Celebrate Recovery is a biblical and balanced program that helps us overcome our hurts, hang-ups, and habits. It is based on the actual words of Jesus rather than psychological theory. 25 years ago, Saddleback Church launched Celebrate Recovery with 43 people. It was designed as a program to help those struggling with hurts, habits and hang-ups by showing them the loving power of Jesus Christ through a recovery process. Celebrate Recovery has helped more than 17000 people at Saddleback, attracting over 70% of its members from outside the church. Eighty-five percent of the people who go through the program stay with the church and nearly half serve as church volunteers. Celebrate Recovery is now in over 29,000 churches world-wide!
