NOTES, from page 12

6:00 pm. Brewerton & Cicero United Methodist Churches sponsor this “home cooked” meal which varies each month.

The churches donate food, help cook, serve the delicious food and have a good time doing it! The helpers chat with those who come to eat! The people who come to eat, age from 5 to 90, come to the dinner to have great food and enjoyable company.

There is a freewill offering, which is used to buy the plates, cups, etc. Unfortunately the meal is not decided upon until the cooks have sit down to eat and have time thinks ahead. If you have a suggestion speak to Peg Leonard (clip-board lady).

All are welcome to donate food, help cook, serve and eat at our June 27th dinner!

HUB ? A Mission Message

What is **HUB** ?

We all know about UMCOR and now we have a location where each of us can be a volunteer.

At the Conference Center is a large room set up for the making and storing of kits to be used in disasters.

← In this picture are scouts from Baldwinsville who are assembling "Cleaning Buckets".

These "Cleaning Buckets" are essential to all who help clean up areas that have been flooded.

It is still raining in the mid-west, which is resulting in some of worst flooding seen in decades.

Did you know that more people die because of flooding than die from tornadoes ?

"Health Kits" and "Hygiene Kits" are needed to help prevent disease outbreaks and "School Kits" are needed to replace the educational materials that have been destroyed by flooding.

If you want to help the victims of flooding and other disasters, contact Mike Block at mikeblock@unyumc.org.

By Connie Chantry

I invited him to join us the following Thursday at noon to see first hand what is involved. I was impressed by his eagerness to help and knew his muscle would be a great asset to us, but wasn't sure he would follow through; despite his promise to return.

Fast forward to the next Thursday... I arrived at the pantry at 11:00 a.m. Minutes later I was joined by my amazing team of volunteers and we began to prepare the pantry for the arrival of the truck.

At 11:30 a.m., the doorbell rang and standing on the other side was our newest recruit, wearing a huge smile and a displaying a wide salute stating, he was "reporting for duty!" That was the beginning of an amazing partnership.

From that day back in March to today, he has been a reliable pantry volunteer not only assisting with the Grocery Rescue project, but his volunteer efforts have now expanded into helping on Tuesday mornings assisting with the pre-pantry set up, stocking shelves, moving boxes, performing trash and shed duties, assisting clients with their groceries, and anything else that we need him to do.

Often times, he arrives early and is waiting for me outside; waving as I drive into the parking lot. He gets right to work and is always looking for his next task. He has proven himself to be a reliable and productive team player; and is welcomed and appreciated by both our Tuesday pantry and Grocery Rescue teams. While we greatly benefit from his hard work & willingness to do anything we ask of him, it is clear that he has found a purpose in his life and feels great knowing that his work is helping others and most importantly, that he "fits in" and is accepted and appreciated for who he is!

We've all grown as a result and we look forward to our continued relationship with our newest team member and friend! I believe we are witnessing and living out

*God's command to love others;
as we are all Children of God.*

WOMEN'S NEWS ~ JUNE 2019

All Ladies, Please Join Us and Bring Your Husband or a Friend

The United Methodist Women will hold their annual picnic at "Marion's" Lighthouse Park on County Route 37. Located across the railroad tracks from Route 11, on the left, Sunday, June 2nd at 11:45 a.m. following worship.

This lighthouse is one of a trio of lighthouses located on Oneida Lake for more than 100 years. These lighthouses are located: in Brewerton (in the town of Hastings), on Frenchman's Island and on Verona Beach.

Enjoy a picnic lunch with Hoffman hot dogs supplied.

Please bring a dish to pass, your own drinks and a comfortable chair to sit near the water. You will be happy to know there are now 'porta potties'TM available on site. All women of the church are invited to come and bring your husband or a friend. A wonderful day for fellowship.

In case of rain, we will move the picnic to the fellowship hall.

We will not have any meetings during the summer months of July and August. Summer is our re-creation time.

In September we hope to come back revitalized to start another season of mission work.

Our September meeting will be a program on Mission U presented by Connie Chantry along with election of officers.

Refreshments will be provided by Jean Koch and Pat Roundy.

HAVE A WONDERFUL SUMMER....

“Walk in My Shoes A New Relationship and God’s LOVE”

Submitted by: Deb Lombard

Over the past couple of months, I’ve had the pleasure of working & bonding with a new volunteer. He is not new to the pantry. He and his girl friend have been regulars at the pantry for the past couple of years.

They have no transportation, but live close enough to walk, so they travel to the pantry for their monthly food allotment and unlimited bread, pulling their extra long, canvas-lined wagon. The pantry staff has gotten to know them & have developed a relationship with the young couple.

While she is shy & reserved, he is outgoing, friendly, energetic & eager to “fit in.” They always leave with a big “THANK YOU” and wide smile on their faces.

One day, he and I had an opportunity to talk at length. He shared stories with me, told me he has a passion for fishing & thanked me more than once for helping him “put food on his family’s table.” Our conversation shifted to a discussion about the fresh produce and massive quantities of bread we always have available.

I explained how that is made possible through our Grocery Rescue program that happens each Thursday. I explained the process to him, which includes unloading a shipment of as many as 30-50 banana boxes, filled with fresh produce, dairy products, bread & meat, often weighing in excess of 500 to 800 pounds, off a Food Bank truck. I told him that a team of 4 to 6 strong-willed women were currently doing the work. He listened intently as I described the procedure; his eyes grew BIGGER the more I talked. He appeared to hang onto my every word.

Suddenly, he jumped in and with great enthusiasm said he wanted to help us. He went on to say he wanted to “give back” for all we had given him and that he had been looking for something to do to feel productive.
