The Town Board stated the rail crossing has no history of accidents and did agree that cross arms with markers are a good idea. A bid from Mid Minnesota Hot Mix to blacktop 100ft on each side the track came in at a cost of \$29,200.00 for 4,000 square feet. Kevin Triplett, Montrose Fire Chief stated that dead end roads have high reports of poor behavior. Further discussions were made about putting cross arms farther back from the intersection.

Residents that own property on both sides of the track are not in favor of closing the crossing.
