Circumstantial Evidence

Upon rising one morning a camper said to his friend, “There was a bear outside our tent last night.”
The friend inquired, “What did it look like?”
“I didn’t see it” came the reply.
“Well then, you heard it, right?”
“No” came the answer.
“Did you smell it?”
“No.”
“How can you say there was a bear in our camp last night?” asked the puzzled camper.
“By the fresh bear tracks on the ground!” was the reply.

The heavens are telling of the glory of God; And their expanse is declaring the work of His hands.
Psalms 19:1

For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made... Romans 1:20

No one witnessed the formation of the heavens and the earth. How do we know God created them? The heavens declare the glory of God, and the firmament shows His handiwork. The evidence is found in the universe: from the smallest particle of matter to the expanse of space; from the tiniest living things to man himself; from the precision of planet movement to the vibrations of atoms. These are too great to grasp; too wonderful to comprehend; too complex to be accidentally or incidentally caused.

We didn’t see Him do it, nor can we see Him working now, but we can clearly see the evidence.

We welcome all who are here today.

If you are a visitor we are honored to have you with us. Please fill out a *Visitor Card* (on the back of the pew in front of you) so we may have a record of your visit. Thanks.

There is a nursery at the rear of the auditorium up the stairs for infant care.
