Due to the Alert Level guidelines, we are not able to pass around the collection plate, you can contribute to the parish by dropping your envelope in the basket provided at the back of the church or by mailing your envelopes to the address at the right, you can drop your envelopes in the mailbox outside the office door, or you can use Direct Giving through automatic debit from your bank account. You can call the office to get more information on Direct Giving. If you drop your envelopes at the office door, please ring the doorbell to notify the office that there is a drop off and it can be picked up immediately. **Please refrain from depositing your envelopes at the door outside of office hours.**

Recycling Fund Raiser

Please consider donating your beverage containers. If you wish to donate your beverage containers, you can do so by dropping your bags into the green bin next to the parish centre door. We ask that you drop off your recycling in this bin on Mondays if possible. This will give time to bring the bags to the depot and get a report for the bulletin. Please remember this is for beverage containers only (pop cans, juices boxes, liquor bottles, beer bottles) not milk cartons, soup cans or plastic containers. Please be careful as to what you put in the recycling bags. The containers must be cleaned and caps removed. Thank you to all who are contributing. **To date we have \$1025.70 in our recycling account.**

Development & Peace

In Honduras and Cambodia, organizations supported by Development and Peace are raising the voices of communities oppressed by a model of economic development that violates their rights. The Honduran Center for the Promotion of Community Development (CEHPRODEC) trains environmental leaders to defend natural resources, the environment and human rights. In Cambodia, Development and Partnership in Action (DPA)'s mission is, in part, to enable communities affected by extractive industries to gain advocacy skills so they can organize and defend their rights.

We can support these partners by recognizing the role we can play in an unjust global system and taking action to change it. This year, the action highlighted by the **People and Planet First** campaign is about holding Canadian companies accountable for their operations abroad -

to ensure that Canada is not complicit in the violation of the rights of our brothers and sisters. Get involved at <https://devp.org/en>

THE XVI SYNOD OF BISHOPS HAS BEGUN IN OUR ARCHDIOCESE

On October 10th 2021 in Rome, Pope Francis opened the two-year synodal journey of the XVI Ordinary General Assembly of the Synod of Bishops with a time for encounter and reflection. The theme of the Synod is **for a synodal Church: communion, participation and mission**. We encourage you to view the coverage of the synod, and to browse the synod resources on the Vatican website www.synod.va.

Archbishop Peter Hundt will officially open the synod in the Archdiocese of St. John's this Sunday, October 17 with a special 11:00 a.m. Mass at the Cathedral-Basilica of St. John the Baptist which will be livestreamed on www.thebasilica.net.

In the coming weeks, the Archdiocese will be inviting responses to an online survey, and also inviting people to participate through various focus groups. The results of the survey and the focus groups will be collated and combined with the results of similar consultations in dioceses across Canada. This combined consultation report will be sent to Rome as a part of the Canadian Church's participation in this first phase of the synod.
