We are on the move!

This month we have so much to be thankful for as we approach our move and look back on the events of the last year!

Thank you to WOW families who have gone above and beyond during the pandemic and during our move to the YMCA. We thank you for continuing to support us during this time. Also, thank you to all of our new families for joining the WOW family!

Thank you to all of our staff, those that have been with WOW for years and have been with us through multiple phases of the move and as we have grown and changed in the past few years.

Our largest thank you goes to our Board of Trustees. These volunteers have donated endless hours of time to make this move possible and to help WOW exist for decades to come.

We hope you all have a wonderful November with your families!

Thank you for your continued support,
Lauren Brown

Moving Paperwork

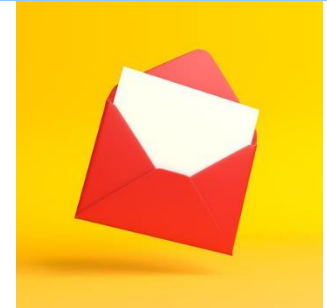

As we prepare to move, we will have some paperwork that will need to be filled out by each family.

Please make sure you have this paperwork in on time as it is required by Ohio Childcare Licensing.

The Cold Weather is Here

Please make sure your child always has a set of hat and gloves in their cubby! We go outside in almost all weather, so your child should have a coat every day.

WOW MOVING UPDATE!

Update on the move!

Construction is working on the final touches! Parking lot will be finished soon, the fences for the play spaces are almost up (playgrounds will be installed during 2022), everything is finally coming together!

We have started the inspection process, which includes local, state, and health department inspections. Once these are done and movers are lined up, we will announce the move date to all families and staff!

Become a Balloon Wall Donor!

With a donation as small as \$50 you can have your family remembered as a supporter of WOW for years to come!

Support WOW by purchasing a commemorative balloon on our entryway artwork.

Blue Balloon Donor (minimum donation amount of \$1,000)

Green Donor (minimum donation amount of \$500)

Purple Balloon Donor (minimum donation amount of \$250)

Red Balloon Donor (minimum donation amount of \$100)

Yellow Balloon Donor (minimum donation amount of \$50)

Let the office know you would like to donate, or donate online at www.helpwow.org

Help us Move!

Moving a childcare center in one weekend is a LOT of work! In order to not interrupt care at all, we will need as much help as possible!

Help us with the move by volunteering once we announce our move date!

We will post more information, including a sign-up sheet, as soon as we know dates

Each parent who helps us move will receive one parents night out FREE (we will stay open until 10:00 one night in 2022!)
