MONDAY - March 30, 2020

To all students/parents:

In regards to the Coronavirus we are monitoring the situation. We are currently closed until the NYS Pause Mandate is lifted. Please watch our website, Facebook, and our phone message.

There will be new policies when we are able to return to a regular class schedule. We will be sure to get these out to everyone.

We are planning and deciding what we can do to still have an annual show this year. With so many unknowns, we are coming up with different plans and we will wait to see which ones we can impliment. **KEEP PRACTICING YOUR DANCES.**

Some instructors are setting up Zoom accounts to teach online classes. They will contact you. When we do return, we plan to do make up classes for all of our classes so we can be ready for a performance. We will update any change, as the guidelines continue to change.

Thank you,

Dance Biz Staff
