2016 Good Neighbor's

Since 1954 (62 years ago) Houghs Neck neighbors have had the opportunity to nominate residents considered deserving of special recognition for community betterment. We honor these Good Neighbors.

Russell Patten Jr., Good Neighbor: Nominated for being there when a new family moved to the neighborhood. His warm and friendly greeting not only that first day but until we were settled in. We have no doubts that we had moved to the most perfect neighborhood. A lifelong Babcock Street, Necka, is a retired Lieutenant with the Quincy Fire Department. He attended Atherton Hough School, Broad Meadows Junior High (now Middle School) and Quincy Voc Tech. His first job as a teenager was at Harvey's Wharf. Patten and his wife of 45 years raised 3 children, Russell Patten III, Matthew Patten and Lisa Leuchte. They also have 7 grandchildren, Ryan, Hannah, Susan, Jack, Camille, Mary and Leo. Russell is a veteran of the US Navy where he served on the USS Norris from 1968 to 1970. He is a member of the USS Norris Shipmate Association. He maintains the Memorial Bench area on Manet Ave in memory of this father and mother Russell C. Patten and Jean Patten. He belongs to the Town River Yacht Club and the Braintree Rifle and Pistol Club. Russell is a member of the Saint John the Baptist Church. He enjoys boating, fishing, lobstering, gardening, hunting, stained glass art, spending time and vacationing with the grandchildren. Russell was nominated for his friendliness to new neighbors, and his generosity in sharing the vegetables from his garden, lobsters he catches in the bay and eggs from his chickens with his neighbors.

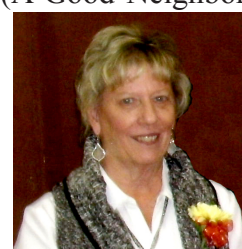

Shawn. Nancy thinks of their home as "Our little piece of heaven on Quincy Bay is where we have spent many happy years surrounded by wonderful neighbors and friends". When Nancy is not spending time with her Grandchildren, her interests include cooking, reading and gardening. She loves to entertain her family and friends. Nancy is an active member of the Houghs Neck Congregational Church, where she has served as president of the SeaSide Sisters (aka Mothers Club) as well as several committees within the church organization. Her greatest joy is singing in the choir. Nancy assists with the Annual Church Fair, (which is being held on November 4th and 5th.) A retired 5th grade teacher. Nancy said, "I taught at the Henry B. Burkland School in Middleboro for 35 years. I met my husband Ralph through mutual friends which were my colleagues in Middleboro." "I loved teaching but am happy to say retirement is just as wonderful! Now, I have plenty of time for grandchildren, church and community." I would like to express my gratitude for this award which truly does touch my heart. I feel that I need to thank all for this honor and for the privilege of living in such a special community. It is not only a geographic jewel but an outstanding example of people living, loving and sharing experiences in a rewarding manner.

Jerry Mullen, Community Service: Nominated for his dedication to assisting the Quincy Veterans

Nancy Jacobs, Community Service: Nominated for the many things she does for the community through her activities in the Houghs Neck Congregational Church. She has lived in Houghs Neck with her Husband Ralph, (A Good Neighbor himself, and the 1st Mayor of Houghs Neck) since 1980. We moved to Wall Street then into a cottage on Manet Ave. that Ralph's Grandfather built. They tore it down and built a beautiful new home where they raised two children Molly and Christian. Both live in Houghs Neck raising children of their own. Chris and his wife Lauren have three sons, Cameron, Carson and Lennon. Molly has a son

HOUGHS NECK GARDEN CLUB

NOVEMBER 2016

Beautiful fall days and “mums” planted by the Houghs Neck Garden Club are brightening up the Houghs Neck Welcome Rock, Leo Kelly Park, and two Houghs Neck war memorials.

The Club is looking forward to two programs in December. At the December 7th meeting, Houghs Neck resident Glenn Snaith will share through pictures he has taken during different growing seasons what he has learned about raising Bonsai. He will touch on what soil to use, the best containers to use, watering requirements and more. This meeting will be held in the MWRA Community Room at Nut Island, 2nd floor, 149 Sea Street, starting at 7pm with refreshments and a brief business meeting followed by the program at 7:30pm. New members are welcome!

On Saturday, December 10th at 10am, Cynthia Lewis will conduct a workshop joint with the Wollaston Garden Club on Wreath-Making. With fresh greens, cones, fruits, and assorted decorations, members can make a holiday wreath for their front door. Space is limited and payment of \$25 is required on sign-up. This workshop will be held at the Houghs Neck Community Center, 1193 Sea Street.

The Club is a member of the Garden Club Federation of Massachusetts.

To find out more about the Club visit our website at: <http://hngc123.wix.com/houghsneckgardenclub/>.

OFFICE OF THE CITY COUNCIL
MARGARET E. LAFOREST
Ward One Councilor

Last month I wrote about the demolition of a long abandoned cottage on Freca Road and I want to make a correction. While the property was in tax title, a direct abutter purchased the property adding some land to their parcel and donating the land with the structure to the City. As I have been long advocating for its demolition and trying to determine the responsible department to take action, I kept running into roadblocks on responsibility and funding. It is problems like this that cause frustrations in government and I'm glad we were able to get this one resolved. The property, located adjacent to marshland, will now increase the area's open space. Having a blighted property nearby is a detriment to the other homes and a negative impact on their home's value. I am so pleased to see these improvements and for the immediate abutters to no longer look at this eyesore and worry about it's conditions. The other two worst blighted properties that have been a detriment to our neighborhood are 45 Shennen Street and 54 Spring Street.

I'm extremely disappointed the owner of the Shennen Street property has reneged on his word for a timely demolition. They have a pending application before the Zoning Board of Appeals to demolish the structures on the property and construct two new homes. The matter has been continued for over five months with minimal progress. I have asked the Zoning Board to bring this matter to a vote at their November 15th meeting held at 7:15pm in the 1st floor of Old City Hall. If the structure is demolished in advance of the meeting, there is interest in seeing the property redeveloped. However, if it is still standing, I have expressed my vehement opposition. Inspectional Services continues to issue the property violations of the blight ordinance and this is our last ditch effort in working with this homeowner. This is one of the property's I have brought to the attention of the Attorney General's Office. The other worst chronic blight is 54 Spring Street. This home had spent years in court as the former homeowners were screwed by their

contractor. The home has since been sold and the owner had acquired it in its blighted conditions. We have seen no response from that homeowner and this property was also referred to the Attorney General's Office. I'm pleased to learn 54 Spring was recently sold to a local resident who has contracted with Necka Native Jimmy Dunn of Manet Construction who assures me he'll be taking this home down in the next thirty days and plans are underway to construct a new single family home. I drive by this home multiple times daily and am so pleased for the abutters as this has been in these dilapidated conditions for over 10 years. This will be a major improvement to this block of Spring Street that has a new home being constructed directly across the street and other neighbors doing some major home improvements.

Last month, I held two community outreach meetings with the Quincy Police Crime Prevention Unit. We talked about the importance of residents being the eyes and ears for the Police Department. If you see something suspicious, please say something. QPD encourages you to contact the non-emergency line 617-479-1212 so they may respond. People say they don't want to be a bother, but the message from QPD is that's what they are there for. Our area is one of the safest in the city. If you visit QuincyPolice.org you can scroll over a map of the city and look at area incidents. Ward One has minimal crime but we don't want to be complacent. Some of the issues we are having which we discussed were traffic, parking, speeding, dirtbikes on city streets, fireworks in the summer, large groups of kids being disruptive, and Quincy Center (focused particularly on the MBTA and Library and the impact of Father

Bills). Lt. Minton also discussed recent scams occurring in the area. Many are solicitors wanting to do work at your home. Houghs Neck is an area where we know and talk to our neighbors. I encourage you to ask a neighbor or friend for a referral if you need work done on your home. There are many contractors who live in our neighborhood who are well respected and do quality work; many of whom advertise in this publication. The most positive part of the discussion was the turnaround in people's experience on July 3rd. Quincy Police have been putting additional resources in our area, stopping MBTA service, and residents have had a much more enjoyable time and "have our beach back". This month, I am hosting three community meetings. Tuesday, Nov. 1, I am meeting with neighbors regarding a redevelopment proposal for 13 Kilby Street and we will discuss the cluster of blighted properties in that area (15 Jewett Street, 16 Lee Street, 621, 667 AND 669 Sea Street) and stalled construction projects (710 AND 721 Sea Street). On Tuesday, Nov. 15 at 6:30pm at the Houghs Neck Maritime Center, I will hold a neighborhood meeting with the City Parks Director to discuss conditions of Macy Park and listen to improvement ideas. Macy is the park I always brought my own children to, and one I grew up going to as well. The playground equipment is tired and the grounds could use some sprucing up. After this meeting, I will submit a Community Preservation Grant to request funding for improvements. On Wednesday, Nov. 16 at 7pm at Broad Meadows Middle School, I will host a Public Hearing with MA Department of Transportation regarding the improvements planned for Sea Street from Quincy Shore Drive to Palmer Street. This meeting will focus on the area from QSD to the Hockey Rink/Grumpy Whites intersection. The proposed project consists of roadway and related drainage improvements, reconstruction of sidewalks with ADA compliant ramps, provision of bicycle accommodations, construction of median islands, as well as geometric modifications and an upgraded traffic signal system. Bicycle accommodations consisting of a usable shoulder have been provided in accordance with applicable design guides. The public will have an opportunity to speak and share any opinion and concerns. As always, I welcome you to contact me with your concerns. *Happy Thanksgiving, Margaret*

Dear Houghs Neck Residents:
 Congratulations to this year's Houghs Neck Community Council award recipients, Russell Patten (Good Neighbor Award), Nancy Jacobs (Community Service Award), Jerry Mullen (Community Service Award), Jeff Crispo, Sr. (Heroism Award), and Jeff Crispo, Jr. (Heroism Award). The Houghs Neck Community Council's volunteers organized another wonderful evening.

An Act Regulating Transportation Network Companies was signed into law on August 5th (Chapter 187 of the Acts of 2016). The new law takes steps to improve public safety and protect consumers, while enabling transportation network companies (TNCs), such as Uber and Lyft, to continue to provide an innovative and valuable method of transportation for customers in the Commonwealth.

TNCs will be overseen by the Department of Public Utilities' (DPU) transportation division. The DPU will be responsible for establishing regulations and ensuring compliance. This creates a uniform regulatory structure for an industry that currently has no government oversight and no consumer protection. The licensing process must meet insurance, background check, pricing, and nondiscrimination standards.

To enhance public safety, this law requires drivers to go through a two-tiered background check conducted by both the TNC and the Commonwealth. To receive a TNC license, applicants' records

cannot contain any crimes related to violence, sexual abuse, driving under the influence, driving with a suspended or revoked license, attempting to evade the police, felony robbery or fraud within the last seven years. There are new criminal penalties for misrepresentation of a driver's identity as well.

Similar to taxi, livery and other passenger transportation companies, the law will require TNCs to carry insurance. TNCs will have to guarantee at least \$1 million worth of coverage from the time a vehicle is enroute to pick up a passenger until that passenger exits the vehicle. Insurance carriers also must be notified if vehicles are being used as TNCs.

TNCs are required to display drivers' decals on the fronts and backs of their vehicles when in use, identifying them as TNC vehicles. All TNC vehicles are required to undergo two annual safety inspections: a standard passenger car inspection and a more comprehensive safety inspection. Suddenly increasing TNC fairs during weather-related emergencies, commonly referred as "price surging", is prohibited.

The Department of Recreation and Conservation (DCR) has authorized controlled deer hunting in the Blue Hills. The first hunt was successful with no reported incidents. The continuation of this program will help control the overwhelming deer population. The controlled deer hunt will only take place during the following four days: November 29th, November 30th, December 6th and

December 7th. Hunters are chosen by way of a random lottery. Those partaking in the controlled hunt must check-in at 4:40 AM. Hunting is limited to 30 minutes before sunrise and 30 minutes after sunset. For more information about the hunt, please visit <http://www.mass.gov/eea/agencies/dcr/masssparks/blue-hills-controlled-deer-hunt.html>.

I had the honor of being the legislative sponsor for German Unity Day at the State House on October 3rd. October 3rd is a public holiday in Germany; it recognizes and celebrates the reunification of East and West Germany in 1990. Although the Berlin Wall came down on November 9th, 1989, it was not until October 3rd of 1990 that a more comprehensive reunification between the East and West was completed. The German Consul General, Ralf Horlemann, put together a well-attended event complete with an array of delicious Bavarian food.

The Asian American Caucus was the legislative sponsor for China Day at the State House on October

6th. This was the People's Republic of China's first official event in the State House. Ambassador Zhang Qiyue from the People's Republic of China's New York office came to speak about the growing relationship between Massachusetts and China's economy. Canada is Massachusetts' largest trading partner, with Mexico, China and the England following close behind.

Lastly, I had the privilege of returning to my alma mater, Brandeis University, to participate in a panel discussing the "Implications of Political Change." The panel was moderated by Professor Anita Hill. It was a great opportunity to exchange viewpoints on how people from different social-economic classes, genders, and races and ethnicities view politics today. The questions from the students showed their engagement in this year's election. It is great to see the next generation becoming so engaged in the world around them.

I wish you and your family a Happy Thanksgiving! Tackey
