

TRANSFER STATION UPDATE

We will be open as scheduled.

Reminder! Beginning April 1st hours are as follows:

- Wednesday 11am – 5pm
- Saturday 9am – 5pm

As outlined by Governor Tony Evers "SAFER AT HOME" rules apply when stopping at the Transfer Station. So please...

- Dispose/recycle at the select containers and leave the premises! **DO NOT STOP TO CHAT!** You must maintain a minimum six (6) foot distance for your health and that of others.
- If you are able, take care of all your materials yourself. If you have special needs due to a disability or related, please let an attendant know and they will help you. Stay in your vehicle and motion for assistance. If you must get out maintain a minimum six (6) foot distance from others.
- DO NOT leave useable items out for others to take. Please save items for another day.

During this difficult time we are trying to keep everyone healthy and safe. Please help us by doing your part until we can regain our normal routine. Thank you for your assistance.

Remember: STOP, DISPOSE/RECYCLE & LEAVE!
