

# WINNEMUCCA RHR FUTURITY AND DERBY

Winnemucca, NV – March 4-6, 2016

*Winning a Futurity now-a-days is not the easiest task to accomplish whether it's a small futurity or a large one. Either way both horse and rider still need to run at their peak as there is always very tough competition no matter where you're competing. Anna not only won the RHR Futurity but followed it up by winning the Chowchilla Futurity the following weekend. Here's what Anna had to say...*

**'FIRST TIME FOR ME—AWESOME'!** I also just won the Chowchilla Futurity in CA! The ground and set up for the RHR Futurity was great and everything was very well run.

I bought **CB FLIRTIN WITH NICK** aka *'Bam'* as a 2 yr old from Katie McCaslin in CA. She was broke; about 90 days on her. She has been a special mare--very level-minded and super easy to train. I started her on the barrels and she picked it up quickly. I did time-onlys for the next year and entered her in the OKC Juvenile Futurity in Dec 2015; her first barrel race. She ended up 60 out of over 400 riders.

I train my own horses—I like them to have been started, but not running barrels. I don't consider myself a trainer--tried it and it's not me. I like to spend a lot of time on my horses to get them supple and

working off my legs and always have a good stop. I love competing!

I kept her in shape with trails, trail trials, and lots of riding. I also do acuscope and chiropractic on her. I started her in a snaffle bit, work her in a Myler bit and run her in a snaffle. I guess if there was any advice to give it would be, don't rush them and you have to make them love their job. Mine seem to love their job. I don't really have any mental preparedness --just take my time.

I'm taking my mare to the OKC Futurity this December I get to run her all year and then compete in Oklahoma City. I've been really lucky and have ended up with a few really great horses. My other mare

won the Sharon Camarillo Classic in July of 2015 with a foal at her side. Bam (CB Flirtin With Nick) is the next great horse for me. She is 15.2 with an excellent disposition and very excellent mind.

#### *A little about Anna...*

I'm 56 years old and have barrel raced since I was about 15 or so. I couldn't do this if it weren't for my husband, John and my two sons, John and Gary --they support me in every way.

I would like to thank my sponsors Sierra Gold Supplement for Horses, S&K Barrel Horses, and Bensons Feed.

*Anna*
