Vice President's Message

Veep Speaks:

BJ is in Hawaii this month, so you are hearing from your Vice President.

By the time you are reading this newsletter, our two Summer Luncheons will have taken place in June and July. In August, we will enjoy an enticing day of beauty from our regional representative for Dior. He will be bringing us all the newest in beauty enhancements and preservation of the beauty we already have. Plan to join us on August 16 for this delightful day of fun.

With each Summer Luncheon, we skip the business meeting and go directly to the program. Lunches are a little more upscale, and it is a golden opportunity for you to invite a friend either just to have fun or to become a prospective member.

You may have noted some changes at the Woodward House. Our House Chairman, Cecily Macdonald, has been dedicated to the task of a monumental status this summer. Our entire club house is being re-wired, so you will see a streamlining of our electrical system which should make it not just easier to set up electrical things, but much safer. During the re-wiring process, we discovered that we may be just the luckiest ladies in the world. Probably only the excellent engineering and construction of

our Woodward House have kept it from going up in flames. The work is huge, but absolutely necessary.

In completing this work, parts of the ballroom floor needed to be removed. In doing that work, it was discovered that our floor is beyond repair and refinishing. When you come to the club in August, you will see an entirely new floor in all of its beauty. If the two projects were not enough, Cecily has also chaired the project of obtaining parking permits for all members of the club. A small, green sticker, placed above your inspection/registration sticker will identify you as a member of the club and allow you a parking place. Please note that the increased traffic we have had in the neighborhood has forced us to need to ensure that our members have access to each parking place in our lot. We cannot have others park there, and those without permission will be towed. Get your sticker for your vehicle from Cecily if you have not already.

Margaret Thompson, Grounds Chairman, was not to be outdone by Cecily, and she has literally "dug in" to the outside beautification program. She has replaced roses, installed a drip irrigation system, placed new mulch, and is busy replacing plants that are done now that winter is clearly gone. Our yard has never looked better.

Even though the Club does not meet in the summer, the work goes on. Planning sessions are taking place for the Christmas Faire in the Mansion, Fiesta Hat Contest and Luncheon, Fiesta Teen Queen Coronation, and Fiesta Flower Show. Plan to volunteer for these important projects to the club's financial well-being. And don't forget that your DUES ARE NOW DUE! Dues should have been paid by July 1.

Remember that you can't start the next chapter if you keep re-reading the last. You don't have to have it all figured out to move forward. Let's all work together and move forward!

Ferne Burney
Vice President

Memorial Bricks

Our bricks are a wonderful way to create a lasting memory for loved ones, friends, commemorating special occasions, and as a "thank you" for a job well done at a very affordable price of only \$50. Forms are in the office on the credenza and can be left for me along with your check or credit card receipt. Don't be too wordy as our bricks can accommodate a limited number of spaces---the form should spell it out for you. I will review each order and get back with you if I have questions. Allow processing time of at least a month from receipt of your order to installation. Don't forget to take a walk out front to see your brick!

- ❖ **Key Lockbox.** When you need access to the flower room, the attic, the sound system, etc.; please check first with Martha to obtain the key and then sign the key out in the logbook on Martha's desk. When the key is returned, Martha will note it in the book. We have become lax in this system which serves to protect our house. The key box has given us all a very orderly place for our keys to be held, and know who last had the key and that it has been returned. Please assist us in complying with this system.
