

# ROCKING HORSE PRESCHOOL

*Submitted by Mrs. Woods and Mrs. Lesher*

*Submitted by Mrs. Woods and Mrs. Lesher:*

School is back in full swing here at Rocking Horse and things are going great! During the first 2 weeks of school we learned about the ocean and the creatures that live there. We also have started our letter, number, color and shape books. We hope you visit our hallway where you can see samples of all of our hard work. As we move into fall we will be learning about the new season and the changes it will bring. Our field trip to Weaver's Orchard will be taking place on September 29, where we will get to go on a hayride, pick apples and learn more about fall.

We currently have 1 space open in our PM group. If you know anyone who may have a 4 year old child and may be interested, please have them contact the school.

**We would like to thank everyone who participated in our KidStuff Coupon Book fundraiser!!**

**Fine Point Washable Markers**

**White Lunch Bags**

**Wet wipes**

**Velcro Dots**

**Thank you!**
