

**International Construction Consulting, LLC**  
**Rates for Short to Medium Term Consulting Work**

**Greg Lamberson**

***BILLING RATES***

Charges for work performed on the project, including office, travel, and field time, will be calculated and billed on the basis of the fully loaded staff category hourly rate shown below are US based rates and are in US currency.

***STAFF / CATEGORY HOURLY RATE***

Senior Consultant - standard work from my office	\$175
Senior Consultant - standard work from client office	\$225
Senior Consultant - depositions or testimony	\$350

***OPTIONS***

The above are my standard hourly rates, which can be subject to modification depending on the circumstances, location, and duration of work scope. I can offer day rates; provide lump sum pricing for a defined scope of work; or alternatively, a “not to exceed” cost for less defined scopes.

***TRAVEL***

Travel costs are to be paid or reimbursed, including taxis, transport, hotels, tips, incidentals, and meals. Airline travel is via economy class for US domestic flights and business class for all international flights.

***OTHER DIRECT COSTS***

Charges for any required direct or 3<sup>rd</sup> party costs furnished by International Construction Consulting, LLC are computed on the basis of actual costs plus 15%.

***INVOICING AND PAYMENT***

Invoice statements will be issued monthly, itemizing the categories worked and time spent on each as well as Other Direct Costs incurred in the performance of the project.

All invoices are due net 30 days from date of invoice.
