SEPTEMBER 14, 2019

9 AM – 3 PM

This is an early reminder that a whole year has gone by. St. John's will once again have their annual Flea Market, Craft and Yard Sale.

We enjoyed having you last year. Hope you will mark your calendar for this year.

Enclosed is the form to be completed and returned. It is not too early to do this.

Hope to see you again in September "rain or shine". If it rains we will be inside the church building.
