Budget

Roughly \$100 in BC account after buying new coolers for gym concession stand.

Topics for Discussion

BC owes \$609.50 for their half of the patches.

BC paid \$1,000 for post season t-shirts for baseball team last year and \$1,500 for patches/pins for all sports. We agreed with the current balance that BC cannot continue that policy going forward. Effective now, BC will no longer pay for post season shirts for teams or cover half the cost of patches/pins. This means parents will have to pay full cost of patches/pins for their child.

BC past policy was to cover no food except for special circumstances such as post season play. Agreed that policy will change going forward that BC will cover no food, no exceptions.

BC's current policy of donating \$50 to each coach for a banquet will remain.

Angie to discuss with Admin if having a gun raffle would be an acceptable fund raiser.

Angie will follow up with Admin to confirm if we still need to complete donation form for items greater than \$100.

Sheila will look into the option of online Spirit wear orders.

Pork steak fundraiser planned for 2/23/20 11:00 to 2:00

Potential items to purchase this year:

New pitching machine - \$550

Tents for track

New practice jerseys for basketball (boys and girls)
