**Did you know?** ... CAFOD campaigners have contributed in making the world a better place. *Share the Journey:* in 2018 we wanted to walk once around the world (24,900 miles) showing our support for people forced to flee their homes, so far, you have walked an incredible 115,000 miles. *We've got the power:* In 2018, over 30,000 of you spoke up loud and clear to the World Bank and to the UK government emphasising the importance of focusing energy spending that benefits the world's poorest people. The World Bank announced in December that they will no longer finance oil and gas exploration and production after 2019. Thank you for your support.
