

Amendments to the Eldred Township Zoning Ordinance of 2015

Section 303- Definitions.

Township Facilities: The following definition is added: Township Facilities: Any building, structure, or use owned and/or operated by Eldred Township for municipal purposes. In the event this definition conflicts with any other definition in the Zoning Ordinance, this definition shall take precedence, but only to the extent there is a conflict.

Enacted by [Ordinance 2018-03](#) on May 3, 2018

Water Extraction: the definition of Water extraction is amended to read as follows:” the term Water Extraction/Bottling- is amended to remove the words “manufacturing light” and replace those words with the word “industry”, so that the definition of Water Extraction/Bottling shall now read; “any use which involves the pumping or removal of water from groundwater sources, with or without bottling for retail or wholesale sale. Considered industry for the purposes of regulation by this Ordinance.”
