Commander's Call

Greetings Legion Nobles!

As you read this newsletter, we are in the New Year and I hope you had a great Christmas season! To celebrate the birth of Christ, we enjoyed a small gathering with family back in St. Louis.

Last November on Veterans Day, 4th Lt Commander Hobbs and I attended a stated meeting at Jerusalem Shrine to answer any questions they may have about starting an LOH unit. They did have a unit in the past and I.S. Sterling Chauvin is trying to get the unit back up and running. I.S. Eddie Daffern, PIC, made this trip last year but due to COVID, plans were placed on the back burner. In addition, I.S. Chauvin made veterans the centerpiece of the stated meeting and recognized each veteran in attendance and we appreciated Divan support. Hopefully they will succeed this year starting up the unit.

Just to keep everyone informed, I am still planning the 2021 IALOH convention and convention on the Mariner of the Seas 19-23 April. I am monitoring the COVID situation closely and will let all know as soon as possible if there are any changes. A back-up plan is in the works, if necessary, we will have a land-based convention, but the location is yet to be determined. This is all predicated on it being safe to meet.

Speaking of events, our newly elected 5th Lt Commander Wayne Angstrom is busy planning the next Arlington Wreath Laying event, which we will try again to have in the new at the Crystal City Double Tree hotel in Arlington, VA. You can register now by going to the IALOH.org website and printing the forms under the EVENT tab. In case you missed it, the old Holiday Inn in Roslyn was imploded mid-December. I will always have some great memories in the hospitality room as it was where Janet and I met so many of you.

As some of you know, we lost PIC Don Reed recently to the black camel. Don was a great LOH Noble and will be missed. He had a great year as commander and we enjoyed the hospitality he and Martha showed during his convention in Louisville. Please keep Martha and his family in your prayers.

Lastly, I want to thank all who supported the fund raiser I sponsored for the Hospitals by purchasing a coin. I purchased 300 coins that went on sale November 12th and by December 15th we were sold out. I'm still working on finalizing the profit, but it looks like we raised about \$2,000 for the kids. When combining this with the annual donation IALOH gives, we should have a very respectable check to present. Depending on timing and COVID, I hope to present a

Tracy Coughlin, PC 

check to Imperial Sir Jim Smith sometime soon. If you're interested in attending the presentation, let me know and I'll do everything possible, with safety foremost, to include every LOH Noble that wants to attend. A big shout out to 4th Lt Commander Hobbs for taking point on this effort.

Keep doing what you're doing, stay safe, and let me know what you have coming up. The IALOH website (www.ialoh.org) is a great place to find out what's going on and you can find registration information there for all the events I mentioned above.

God bless each of you and your families. I hope to see you soon, and remember to Aim High!

Yours in the Faith,
Tracy

Happy New Year

The International Officers and their ladies would like to wish everyone a Happy New Year and hope 2021 will be filled with great joy.

1st Lieutenant Commander's Message

Hello all from your friendly Lt Commander from California. There, I have started this letter with a sense of humor, I hope.

As we are now into a new year and there is not that much new or changing from the pandemic point of it all, I can say that our lives going forward do look promising for all. Each and everyone of us have been touched by the pandemic within our daily lives. Some of us have had loses and others have been sick from it all. I will always be thankful for my health and my family and friends having the same.

Leighanne and I have not ventured too far from home this past ten months with the exception staying on Coronado Island, San Diego for a week last August while our home had new flooring installed. We can say it was a good stay and are totally pleased with the flooring. Other than that, our time has been spent

preparing for the cruise next April and the ensuing year.

There is so many things that go into preparing for a major convention, I sometimes reached out to Past Int'l Commanders for advice and or things that they had done during their convention process, even though I have been with IALOH for many years now and have gone to many great conventions. Talking to our past PICs re things that happened during their year has been informative and eye opening for those things that I have forgotten about. Thank you all.

In closing, I thank all the Officers for their support and thank every Legionnaire Noble for their service to our fraternity and all it represents.

YITF,
Steve Walker

Steve C. Walker, PC

2nd Lieutenant Commander's Message

Hello LOH Nobles,
Hopefully with the Covid-19 precautions and vaccine, we will all be able to meet on a regular basis next year. We can then get back to all the events, and fun, we have had in previous years. This year has had many ups and downs and we cannot wait to get some normalcy back into our lives and schedules.

In October, I was able to attend the South Atlantic Shrine Association Legion of Honor change of command in Kingsport, Tennessee. I accompanied IALOH Commander Coughlin and 4th LT Hobbs to the change of command. Congratulations to SASA LOH Commander Kenny Collier and the newly installed officers. We had a great time and I want to thank everyone at Jericho for their hospitality during the event.

A few events that are now scheduled for 2021 and can be put on your calendars now.

- Texas Association Legions of Honor – February 23-26, 2021
- IALOH Convention & Cruise- April 19-23, 2021
- Ottawa Wreath Laying- June 5, 2021
- Arlington Pilgrimages and Wreath Laying – November 3-7, 2021

Hope to see you at these upcoming events.

As we are making plans for 2021, please send any upcoming Unit and Association events to IALOH Adjutant David Smith so they can be posted on the IALOH website. If your unit would like an IALOH officer to attend one of your events, let us know. We would like to attend as many functions as possible in the upcoming year.

Hope you and your families have a safe and happy holiday season, Merry Christmas and Happy New Years to all of you.

Hope to see you soon
David Ginapp

3th Lieutenant Commander's Message

With the holiday season upon us, this should be the happiest time of year. I know that there are some struggling to find joy due to the pandemic related restrictions placed on us. Lady Ginny and I threw caution to the wind and traveled to Pennsylvania over the Thanksgiving holiday to visit with family and friends. It was great to escape and get away. We didn't watch the news, we spent some quality time with family, took a day trip to Hershey, toured the chocolate factory, then we met up with Brad Slinkard, PC MASA, and his Lady Cathy Shadle, for a wonderful lunch & laughter. It was so great to see them. We humans are a social species, we need to be with people. If possible, for your psychological well-being, try to visit with family and friends. Our trip did wonders for my attitude (which Lady Ginny tells me was a bit edgy). Of course, you need to follow the health guidelines, wear your mask, wash your hands frequently, and drink wine. Fortunately, for those that can't venture out, we do have the internet for Zoom and FaceTime for electronic face-to-face contact on a personal level with family and friends. As AT&T used to say, "It's the next best thing to being there." It does help a little. If you haven't used this media or don't know how, reach out to one of us, we'll talk you through the steps. The first 20 minutes looks like the old Hollywood Squares game show, without Paul Lynde in center square.

Now that a vaccine is being distributed, it won't be long before some of us in the "high risk" category will be receiving our shots. It isn't going to be a quick fix, but it is a beginning toward returning us to whatever normal is going to look like. Fortunately, most of us weren't normal to start with, so we may not notice a change.

This past week, our home away from home for the Arlington Wreath Laying ceremony for years was imploded. It was difficult to watch remembering all the good times we've had there but, interesting none the less. You can watch it on YouTube, just search Holiday Inn Rosslyn or

click on this link [Holiday Inn Rosslyn - Controlled Demolition, Inc. - YouTube](#). On the upside, this puts us a little closer to establishing our new home in about two years with a brand-new facility. Speaking of Arlington, 5th Lt. Commander Wayne Angstrom has been hard at work planning for the 2021 Pilgrimage. I'm trying believe we will all be together again for this special event. I can hardly wait. Please Santa, that's all I want. I've been good all year long...I've behaved...I've tried to be good...I haven't gotten caught as much.

As of now, Commander Coughlin's cruise-convention is still a go for the 19th - 23rd of April 2021. This is an opportunity to experience an annual convention like no other. We're keeping a positive attitude that this event will float. Details and registration forms can be found on the www.IALOH.org website under the events tab. If COVID-19 cruise restrictions prevent this from happening, the Commander is working on a back-up plan. Keep an eye on the IALOH website and the Facebook IALOH page for updates.

Lady Ginny, my Chief of Staff Mike Kearns, his Lady Peggy and I are preparing to experience some Texas Hill Country hospitality at the Texas Association Legions of Honor (TALOH) Convention in Fredericksburg, TX, in February. Our very own 6th Lt. Commander and TALOH Commander, Charles McIntosh's convention. Fredericksburg is a quaint town with great shopping, eating opportunities and the Admiral Nimitz Museum to explore. We've always enjoyed TALOH conventions. If you can make the journey, you won't regret it. Information can be found on the TALOH website www.taloh.org under Mid-Winter Meeting.

I am pleased to announce that Brad Slinkard and his Lady Cathy Shadle have agreed to join my IALOH team as my Assistant Chief of Staff. The Gray family wishes you a peaceful and joyous holiday season. I hope you are able to enjoy the company of family and friends. If not, please

Division 2

Russell Gray, PC

know that we are together in our hearts. Remember to keep the families of those that have left us this past year, our military men/women and their families in your hearts and in your prayers. I hope 2021 keeps you in good health, high spirits, brings you happiness and joy and is a much better year than 2020 has been.

Yours in Faith
Russ Gray

4th Lieutenant Commander's Message

Division 6

Well, the new year is upon us already. Looking back on the places I traveled and the brothers I got to meet and the new friends I made it a bearable 2020. I was able to join Commander Coughlin and travel to New Orleans for a Stated Meeting at the Jerusalem Shrine Center. Their Legion of Honor was picking up steam and then faced as we were told, "Mardi Gras and the pandemic." Which put them out of touch. It was glad to see that 15 members of their Legion of Honor came to the meeting. In December, I was invited to attend by Zoom, the installation of officers from the Al Koran Shrine in Broadview Heights, Ohio. Congratulations to those officers who remained in office for a second term and those newly elected officers.

Lady Lisa and I are looking forward to 2021 with hopes of a return to the activities we all missed this past year. With anticipate trips to TALOH, SASA, and SESA. Add on the Arlington Pilgrimage, the Military

Monument Dedication in Ohio with Al Koran, and last but not least, the Commander's Cruise and Installation of Officers for the new year. It will be exciting and we are keeping our fingers crossed that all will be able to hold their festivities.

For those that missed it, on Sunday, November 13, 2020. Our former Arlington Headquarters the Holiday Inn was imploded in Rosslyn. It was posted on Facebook. For me it was a mixed bag of emotions, saddened that it came down and excited to see what the future brings. A lot of great memories from that place. I mean, who can forget the elevators...!! I would also like to take a minute to thank everyone that purchased the Legion of Honor Challenge Coin. It was a Commander's Fund Raiser and the profits from those sales will be present to the Imperial Potentate for Shriners Hospital for Children. We only had 300 coins and they sold out in a matter of 3 weeks. Thanks for your support.

David Hobbs, PC

Lady Lisa and I wish everyone a prosperous New Year, and the hopes of getting back together to share our stories about 2020.

I was fortunate to be elected to the International Association Legions of Honor, I'm currently in charge of Membership and I take this serious. In 2017 I attend a membership meeting presented by Imperial Sir Gary Bergenske and his staff. What a great inspirational speaker. Next was at that time Chief Rabban Jeff Sowder; what a great team to do membership. Imperial Sir Bergenske Moto for his year was Imperial Sir Sowder Moto was "It only takes 1".

I encourage a legion of honor member to join their Temple membership team. Commanders work hard to identify your Military Nobles and try to get them into your Legion of Honor.
