Dear Oracle Set Book Club,

I want to congratulate you on your 50th anniversary and applaud your efforts to provide scholarships to high school students in Ward 3 and across the District. Because higher education can be such a large financial undertaking, the scholarships you provide are essential to making college a reality for many students. The District is privileged to have the Oracle Set Book Club in our community. Once again, I wish you congratulations on your 50th anniversary, and look forward to many more years of such a great group.

Regards,

Mary M. Cheh
