

Spa Esoteric

Oncology Services Offered:

Skin Care/Facial:

60 min. priced at special consideration: \$50.

Our Certified Oncology Aesthetician will choose the proper products for your skin care needs to cleanse, smooth and treat your skin creating visible results. We will finish with a skin sealer of Intraceuticals to repair and hydrate your skin. A soothing hand and foot treatment may be included as well as a warm table and towels.

Massage:

60 min. priced at special consideration: \$50.

Our Trained Oncology Massage Therapist has been educated to select the proper modality designed for clients living with cancer. You will have light to moderate pressure, and will have a customized massage to address your individual needs, positioning, or site consideration. Relax on a warm table, release your stress, and escape for a while. Oncology Massage will lessen fatigue and create harmony and well-being while reducing pain associated with cancer treatments.

Pedicure/Manicure:

60/30 min. priced at a special consideration \$40. /\$20.

Our Oncology Pedicure/Manicure consists of a warm to cool water soak, cleaning up length of toe/fingernails. An application of hydrating mask to soothe hands, feet and heels. If able, will clean cuticles (never cut) and apply polish. Then end with a lotion or oil application.

Companion session:

If your companion, spouse, caretaker, ect. Would like to have a facial or massage at the same time, their service will be priced the same as yours. It is important that those who are caretakers...take care of themselves as well. We support those who support others.

All Oncology Service time are approximate. The service may be longer or shorter due to client health.
