Happy New Year!!

Welcome back, hope everyone had a happy and blissful holiday season. Wow, we're already at the halfway marker, but there is still much work to be do as we move closer to the finish line. We would first like to give a special thanks to all of our sponsors who adopted and made contributions to our classrooms/children during the holidays! Your support and appreciated, and it was because of you that everything turned out to be a great success. We would also like to thank all of the parents who came out to the parent/male involvement meeting, making it a great success as well. We can't thank everyone enough their continued support so far and the support to come.

Please listen to the radio or your local television stations. If your local school district closes due to inclement weather, Head Start will be closed also!!

Please be sure that you dress your child(ren) according to the weather as the temperatures are changing in order to help keep them safe, warm and healthy. Also, if your child is sick, please keep him/her at home and contact the center. Any absences due to illness we be excused!!

Recruitment

ICS Head Start is now recruiting for the 2019-2020 school term. Applications are available at our center in the Family and Health Services office. You may come by and pick up an application if you wish to have your child(ren) attend our program during the upcoming school term. Please be mindful that all information must be filled out completely and correctly. Should you have any questions when completing your application, please feel free to contact FSW at 662-326-8796 between the hours of 8 a.m. and 4 p. m. FSW will be glad to assist you and answer any questions or concerns that you may have. If you know anyone else who might be interested in enrolling their child with ICS Head Start, please spread the word and let them know that they can pick up an application.

When you get help, you're twice as likely to quit smoking for good.
