BUCKINGHAM®

REDEFINING

luxury

The Buckingham® Collection is a celebration of the finest traditions in American hand crafting. Each piece begins as an exquisite, hand-cut jewel, and then is expertly cast from its original master carving. Artists then brush, burnish and distress each piece by hand with meticulous attention to detail. Layering of paints and lacquers make each beautiful Kirsch® finish a one of a kind treasure. The Buckingham® Collection references the distinguished styles from the classic Victorian and the elegant Renaissance architectures offering unprecedented mastery. Each finished piece results in elegance in its purest form.
