LEARN TO SKATE USA AT A GLANCE

The foundation of Learn to Skate USA powered by Toyota is based in fun, safe and solid skill progression that provides all skaters the necessary tools to reach any goal they may set.

LEARN TO SKATE USA IS:

A goal-oriented program that provides incentive and encouragement to keep skaters motivated

A personalized approach that allows skaters to progress at their own rate and advance after skill mastery is demonstrated

A curriculum that offers something for everyone — from the first steps on the ice to mastering advanced techniques

Solid skill development based on the ABCs of basic athleticism — Agility, Balance, Coordination and Speed

A progressive system that, upon completion of the program, allows skaters to confidently advance to more specialized areas of skating

Access to continued education and resources for parents of young skaters to assist with making the appropriate decisions throughout their skating journey
