6. Old Business:

- a. First off I would like to thank Jim Lisiecki for leading the meeting last month. I really appreciate him stepping up.
- b. The August Cruise was cancelled due to weather. Rick called and cancelled due to incoming rain. As the cruise was set for Sunday the 25th, no weather date was set. Our September cruise will be led by Frank and Deb and is scheduled for Sunday September, 22nd. Remember, meet at the Baxter County Library early enough to leave at 9:30am.
- c. Next month's cruise will be led by Larry & Bev Baker. The cruise will be to the "Top of the Rock" just south of Branson. It is scheduled for October 20th. More information will be provided soon.
- d. Club officers are needed for all positions except "Officer at Large" and "Treasurer". Jim and Lisa have stepped up and volunteered for those positions. We still need the positions of President, Vice President and Secretary filled. Elections will be held in November with terms beginning in January 2020. If the club does not get anyone to volunteer to run for these offices, the club will have to disband and reorganize to something along the order of a "Social Club" with no officers and no treasury. Everyone was asked to be thinking about this.

7. New Business:

- a. The web site and domain name is due for renewal. The Website Builder is \$143.88/year and \$20.99/year for a total of \$164.87. In order to renew, the membership had to approve. A motion was made and seconded, to renew. A vote was held and the motion for renewal was approved. Dave will renew and be reimbursed from the club's account.
- b. Dave informed the club that he had made reservations at the Elks Club for December 14th for the annual COTO Christmas Party.

He asked that if anyone had other ideas or an alternative to the Elks to let him know as soon as possible.

c. There have been suggestions that if the weather is going to be adverse that most will not want to drive their Corvettes, that we go ahead with the cruise with our daily drivers. Most agreed and we decided to make it a case by case issue.
