Ello, ello,

Well folks, it's the end of yet another dart season. I hope that each of you had great time playing and enjoyed the folks you not only threw with, but also against.

This past year we have seen a few changes come our way. Hopefully, these changes will keep the DDA right on track. It is my feeling that the DDA is in a very stable arena at the present time. I feel that with the changes that have been established and the policies that have been implemented, the DDA is prepared for the 21<sup>st</sup> century. The financial side of the league is certainly in good shape and the membership is as well in good shape. Of course I would like to see a larger membership, but I feel the base we have now is extremely stable and satisfied. I don't think it is fair to try to compare or compete with "soft-tip" darts, as our league is based on both fun and sportsmanship, not money. I think that sometimes we all forget that factor.

As some of you may know, this will be the last Presidents Letter that I will have the honor of composing, as my term is expiring June 1<sup>st</sup>. I would like to take this opportunity to thank you for your support while I was your president. While being the president for past 2 years, I have obtained a strong understanding what it takes to guide a successful league. I feel that the most important element needed to accomplish this endeavor, is that of an interested and involved membership. I believe we have that in the Dayton Darting Assn. I also feel that the board that you have elected is an outstanding group of individuals that truly have your best interest in mind. My hat goes off to all the hard working members of the board that put up with a lot of my crap the past couple of years. You guys did a hell of a job and I thank you!!

In closing, I would like to thank you again for allowing me to be your president the last 2 years. It has given knowledge and insight that I will hold with me forever.

Shoot well and I'll see you soon,

Steve Warren-President
