

Big Band of Shepherds

You take a big band of shepherds
Standing on the hillside in the middle of the night.
I'm talkin' big band of shepherds.
Can you imagine what it must have been like?
Well, how could it be that the God up in heaven decided the Word should be given to a
big, big, big band of shepherds?

They were watching their sheep with nothing to fear
When all of a sudden an angel appeared.
They looked to the sky, but found the light was blinding.
The Glory of the Lord was definitely shining

On a big band of shepherds
Standing on the hillside in the middle of the night.
I'm talkin' big band of shepherds.
Can you imagine what it must have been like?
Well, how could it be that the God up in heaven decided the Word should be given to a
big, big, big band of shepherds?

The angel said, "Be not afraid,"
For unto you is born this day
In the city of David...you'll find a little baby lying in a manger.
You'll find the Savior waiting

For a big band of shepherds
Standing on the hillside in the middle of the night.
I'm talkin' big band of shepherds.
Can you imagine what it must have been like?
Well, how could it be that the God up in heaven decided the Word should be given to a
big, big, big band of shepherds?
