Age \_\_\_\_\_ Sex \_\_\_\_\_

**Instructions:** The following questions concern thoughts, feelings, and experiences that you may have had in the recent past. Please read each question carefully and select the answer which most closely applied to you.

1. In the last month, has there been a period of two weeks or longer when nearly every day you felt sad, blue or depressed? 1. Yes      2. No
  
2. In the last month, has there been a period of two weeks or longer when you were less interested in most things, like work or hobbies or things you usually like to do for fun? 1. Yes      2. No
  
3. In the last month, has there been a period of two weeks or longer when your appetite was decreased or you lost a significant amount of weight without trying to? 1. Yes      2. No
  
4. In the last month, has there been a period of two weeks when your appetite was increased or you ate so much that you gained a significant amount of weight? 1. Yes      2. No
  
5. In the last month, have there been two weeks or more when nearly every night you had trouble falling asleep, staying asleep, or trouble waking up too early? 1. Yes      2. No
  
6. In the last month, have you had two weeks or longer when nearly every day you were sleeping much longer than normal for you? 1. Yes      2. No
  
7. In the last month, has there been a period lasting two weeks or more when you lacked energy or felt tired all the time even when you had not been working very hard? 1. Yes      2. No
  
8. In the last month, has there been two weeks or more when nearly every day you were talking or moving more slowly than is normal for you? 1. Yes      2. No
  
9. In the last month, has there been two weeks or more when nearly every day you had to be moving all the time – that is, you couldn't sit still and paced up and down? 1. Yes      2. No
  
10. In the last month, has there been two weeks or more when nearly every day you felt worthless, sinful, or guilty about things you hadn't done? 1. Yes      2. No

**Client Questionnaire**

11. In the last month, has there been two weeks or more when nearly every day you had a lot more trouble concentrating than is normal for you or were unable to make up your mind about things you ordinarily have no trouble deciding about? 1. Yes 2. No
12. In the last month, has there been a period of two weeks or more when you thought a lot about death – either your own, or someone else’s, or death in general, or that you wanted to die? 1. Yes 2. No
13. In the last month, have you felt so low that you thought about committing suicide or that you made a suicide attempt? 1. Yes 2. No
14. For the last two years, have you felt depressed or sad most days, even if you felt okay sometimes? 1. Yes 2. No
15. In the last month, have you had a spell or attack when all of a sudden you felt frightened, anxious or very uneasy in situations when most people would not be afraid or anxious? 1. Yes 2. No
16. In the last month, during one of your worst spells of suddenly feeling very frightened or very uneasy, did you notice that you:
- a. were short of breath or had trouble catching your breath? 1. Yes 2. No
  - b. did your heart pound or race? 1. Yes 2. No
  - c. were you dizzy or lightheaded? 1. Yes 2. No
  - d. did you have tightness, pain, or discomfort in your chest or stomach 1. Yes 2. No
17. Some people have such an unreasonably strong fear of being in a crowd, leaving home alone, traveling on buses, cars and trains, or crossing a bridge, that they get very upset in such a situation or avoid it altogether. In the last month, did you go through a period when the thought of being in such a situation made you anxious or you avoided such situations altogether? 1. Yes 2. No
18. In the last month, did you think you needed to lose weight even though people such as your friends said you had gotten too thin? 1. Yes 2. No

**Client Questionnaire**

19. In the last month, have you had a period when your eating was out of control and you would eat abnormally large amounts of food within a few hours – that is, binge eating? 1. Yes 2. No
20. Have you been bothered by having certain unpleasant thoughts that kept entering your mind against your wishes? An example would be the persistent idea that your hands are dirty or have germs on them. In the last month, have you had any unpleasant thoughts like that when it really did not make sense to have them? 1. Yes 2. No
21. Some people have the unpleasant feeling that they have to do something over and over again even though they know it is really foolish, but they can't resist doing it – like washing their hands again and again or going back several times to be sure they have locked a door or turned off the stove. In the last month, have you ever had to do something like that over and over? 1. Yes 2. No
22. During the last six months or more, have you been anxious or worrying a lot about things for most of the time? 1. Yes 2. No
23. Does your doctor think that you worry too much about your physical health? 1. Yes 2. No
24. In the last twelve months, was there a time when you had five or more drinks (beer, wine or liquor) on one occasion? 1. Yes 2. No
25. In the last twelve months, were there objections about your drinking from you family, friends, your doctor, or your clergyman? 1. Yes 2. No
26. In the last twelve months:
- a. Did your drinking cause trouble at work or at school? 1. Yes 2. No
  - b. Did you get into fights while drinking? 1. Yes 2. No
  - c. Have the police stopped or arrested you or taken you to a treatment center because of your drinking? 1. Yes 2. No
  - d. Did your drinking cause a breakup between you and a family member? 1. Yes 2. No
  - e. Has the money you have spent on drinking caused you financial problems? 1. Yes 2. No

**Client Questionnaire**

34. In the last twelve months, have there been times when you were under the influence of a medicine or drug or suffering from its after-effects when that increased your chances of getting hurt – for instance, when riding a bicycle, driving a car or boat, or operating a machine? 1. Yes 2. No
35. Has there ever been a period of at least four days when you were so happy or excited that you got into trouble, or your family or friends worried about it, or a doctor said that you were manic? 1. Yes 2. No
36. Has there ever been a period of at least four days when you were so irritable that you threw or broke things, started arguments, shouted at people, or hit someone? 1. Yes 2. No
37. Have you ever believed people were spying on you? 1. Yes 2. No
38. Was there ever a time when you believed people were following you? 1. Yes 2. No
39. Have you ever believed that someone was plotting against you or trying to hurt you or poison you? 1. Yes 2. No
40. Have you more than once had the experience of hearing things other people couldn't hear, such as a voice? 1. Yes 2. No
41. Have you ever had the experience of seeing something or someone that others who were present could not see – that is, had a vision when you were completely awake? 1. Yes 2. No
42. Have you ever had occasion to talk to a doctor about problems with your memory? 1. Yes 2. No

Thank you for completing this questionnaire.
