In the 2016-17 school year, the Elkins PTO will raise money to help update and enhance areas of the school as well as support various other programs for the school. Without your help, Elkins would not be able to provide these things for their campus and students.

*The purpose of Elkins High School Parent Volunteer Organization is to enhance the academic and social experience of students through the support of these students and staff at Elkins High School through financials and-or voluntary support.*

***Please remember that Elkins PTO is a 501(C)3 and all donations are tax deductible.***
