47. Take a mister bottle along on trips to sanitize hotel room fixtures, glasses, phone, pillow etc

This is a list of just some of the medical conditions that Colloidal Silver has been shown to aid. It is by no means complete, and research in many areas is still ongoing. Common names of some conditions have been added.

This list should be not be taken as either claim or proof that Colloidal Silver is a “cure” for any of these things, only as evidence of the enormous scope of positive influence it may have in difficult times.

- Acne Dacryocystitis
- Adenovirus Dandruff
- Asper Gillus Niger Dental; Abscess/ Infection,
- Caries
- Athletes Foot/Jock Itch Dermatitis suggestive of
- Toxaemia
- Anthrax Bacilli..... Diarrhoea
- Axillae & Blind Boils of the
- Neck
- Diptheria
- Bacillus Typhus’s Ear Infections
- B. Coli E. Coli
- B. Coli Communis Endamoeba Histolytica – Cysts
- B. Dysentaria Enlarged Prostate
- B. Pyocaneus Epidiymitis
- B. Tuberculosis Erysipelas
- Bacillary Dystentery
- Escherichia Coli
- Biological Weapons Eustachian Tubes ( potency restored)
- Bladder Irritation Fever
- Blepharitis Follicular Tonsillitis
- Boils Furunculosis
- Bovine Rota Virus Gonococcus
- Bromidrosis in Axillae Gonorrhoe
- Bromidrosis n Feet Gonorrhoeal Conjunctivitis
- Bronchitis Gonorrhoeal Opthalimia
- Burns & Wounds of the Cornea Gonorrhoeal Prostatic Gleet
- Bladder Infection Haemorrhoids
- Candida Albicans- Yeast
- Infection
- Hepatitis
- Chronic Cystitis Herpetic Whitlos- Herpes
- Chronic Eczema of Anterior Nares
