

JOIN US FOR AN OPEN HOUSE!

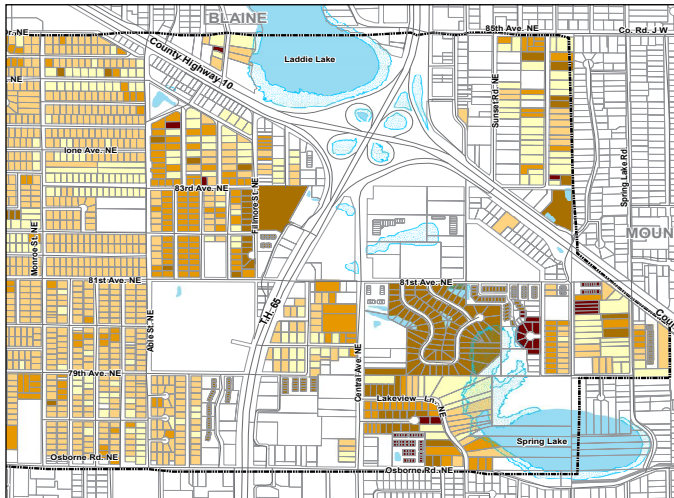

The City of Spring Lake Park is developing a Comprehensive Plan to serve as a guide for growth and development through 2040, to provide a program for land use and infrastructure improvements needed to maintain a high quality of life in the city, and to serve as a policy framework to enhance opportunities for Spring Lake Park's residents and business owners. **We want to hear your ideas about the future of the city!**

What is studied in a Comprehensive Plan?

A Comprehensive Plan is just that: comprehensive! This planning process will incorporate your ideas for the future to address:

- Local Demographics and Economics
- Land use
- Housing
- Parks, Trails, and Community Facilities
- Transportation: Roads, Transit, Bicycling, and Walking
- Public Facilities: Utilities and Water Resources
- Implementation: Putting the Plan into Action

How do I get involved?

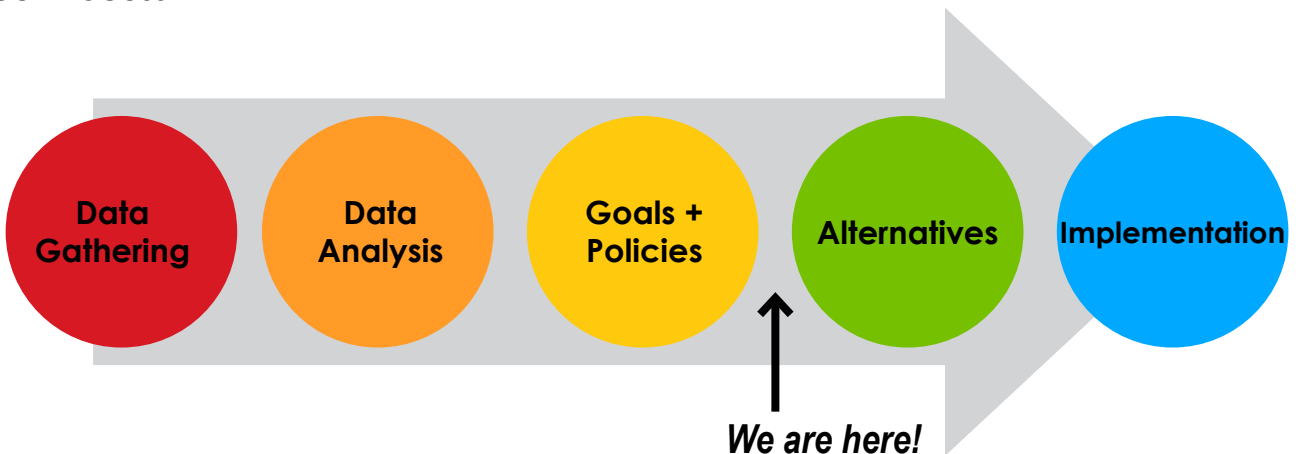

- 1 Fill out the City survey to share your ideas:
www.surveymonkey.com/r/3WZZ5DR
- 2 Encourage your friends and neighbors to attend our open house:
April 24, 2018
6-8 PM
City Hall: 1301 81st Ave NE
- 3 Visit our website to learn more about the project:
www.slpmn.org

On the website you can:

- Stay up-to-date on project development
- Fill out the City survey
