APRIL 2017 VOLUME 60 ISSUE 8

Presidents Message: April 1st and we have a cold raw Saturday, but Spring will be here soon. One can tell by the many activities going on in our community. Check out the list in the next column. The Community Council has an Open Meeting this month on the 18th we are honored to have the Norfolk County Register of Deeds William O'Donnell. He is going to give a talk on the services his office provides for the community. We have had Mr. O'Donnell visit us in the past to a good turnout. If you have any questions about your real estate you should attend. Members of the Registry staff will be on hand to look up your information, to insure you're up-to date. How about homesteading? This important document could help you keep your home in case of a foreclosure.

I want to remind the High School Seniors and those in College to fill out the application and get you transcripts to us before the deadline. Bunny Fun Day is Sunday 4/8 noon to 2pm always a great time for the kids and this is one of our free events the community council sponsors every year. Funding for this event comes from the proceeds of the Annual ChowdaFest. Thanks in advance to all the volunteers and the Easter Bunny for making the day fun for all. Just announced the Houghs Neck Street Hockey Tournament will be held June 3 & 4th at Brill Field. More information on page 2 and in next months Bulletin.

Happy Easter to all. Dave

Norfolk County Registry of Deeds
William P. O'Donnell
Register of Deeds & Assistant Recorder of the Land Court

It is Register O'Donnell's goal to provide a convenient way for residents to learn more about how the Registry serves them as it conducts business closer to their homes, saving them time and money.

Although, Registry staff cannot provide legal advice, they will be on hand along with the Register, to answer basic questions, transport documents for recording and assist in the filling out of a Declaration of Homestead form that provides for limited protection against the forced sale of an individual's primary residence to satisfy unsecured debt up to \$500,000. They will also assist a person in signing-up for the new Consumer Notification Program that alerts a homeowner when a transaction has been made against their property to alert them against potential cases of fraud.

Additionally, there will be on-site work stations that can provide real-time status of your mortgage discharge, print out a copy of your deed and provide a demonstration on how the Registry's On-Line Land Records Database works.

**Open Meeting with Registrar William O'Donnell
Tuesday, April 18, 2017**

The office of Registry of Deeds will present a discussion on what a home, condo owner can and should do to protect their most valuable asset their home. included in the discussion will be Homesteading, Mortgage disposition and how to use the online information available to the residents of Norfolk County. The discussion will begin at 7PM on April 18th at the Community Center on Sea Street. All homeowners, Condo Owners and potential owners are urged to attend.

Birthdays. Anniversaries. My favorite flower. He never forgot anything.

Including making his funeral arrangements ahead of time. I'm thankful that he took care of the details in advance and saved me the added anxiety of having to make dozens of decisions at a difficult time. And because he paid for his services in advance, my family was not left with a financial burden, but with peace of mind knowing his wishes will be honored.

The professionals of Deware Funeral Home took care of all of the details and helped us plan a fitting tribute to a life well lived.

We continue to progress in our Religious Education year with all of our students. Our students in Grades 1-5 are learning more about the essentials of their faith in the Christ our Life curriculum. In Edge for Middle School we are finishing the 2nd semester of sessions on liturgy and the Sacraments, where we have learned about Baptism, Eucharist and Confirmation. Great to continue to see so much strong involvement from the middle school students! Our 9th Graders are moving through the CHOSEN material this year, and we hope to have more opportunities for them to live their faith in the community in the next few months and next year in 10th Grade. Save the dates of July 23rd- July 29th for the Summer High School Mission Trip to Mexico, Maine. Signups begun on March 1st and by the time you read this I will have many high schoolers signed up! Limited to 18, and we still have some space for a few additional adult chaperones. Extensive fundraising will begin once the trip has been filled, please stay tuned. Troop 6 News

Sorry that there haven't been any updates so far this winter, but please don't think that is because we haven't been doing anything! On February 3-5th, the Troop took to the slopes and went on our annual ski trip. There were over 20 of us out on the beautiful snow of King Pine ski area in New Hampshire. Conditions were great and the kids had a blast learning how to ski or perfecting their skills. Many of us stayed well into the night and skied under the lights for as long as our bodies could hold out. It was a quiet ride home after that! We crashed for the weekend in Guilford NH, and once again a huge THANK YOU to Carol and Larry who are so kind to loan us the use of their home every year. The rest of February went by in a blur with helping the Pack with the Blue and Gold dinner, and working our tails off on advancement. We have made lots of progress with both the newest scouts and many of our older scouts as well. Additionally, we have several scouts that are attending Merit Badge University at Harvard and working on everything from Law to Robotics. On March 25th and 26th, we camped at Lone Tree Scout Reservation in Kingston NH. This was the first time at this camp, and the scouts really

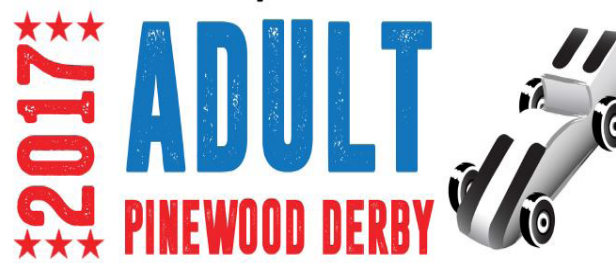

enjoyed it. We had a cabin, but 5 of our bravest (or craziest) scouts spent the night in an Adirondack shelter. This is a 3 sided 'cabin' with a roof and no front wall. They were mighty cold in the morning, but they had a blast! During the trip, we focused on a wide variety of scout skills and were able to help Preston Cavin and Logan Goins both earn their Toten Chit (knife, saw, and ax safety) and Brendan Cavin and Brody Gillespie earned their First Class Rank. All the scouts also worked hard on their snowball skills with one of the biggest and most enjoyable snowball fights I have ever seen! We are still working on our plans for the rest of the year, but we are hoping to go white water rafting, overnight hiking, and continue to have as much fun as we can. Speaking of fun, the Friends of Troop 6 are hosting the annual Adult Pinewood Derby again this year on May 6th. It is a great night, and all of the proceeds are donated right back to Troop 6. Our next bottle drive is April 8th from 9-12 in Labrecque Field parking lot. Our bottle drives will

continue to be on the second Saturday of every month, weather permitting. Please consider donating your soda and beer bottles and cans to us rather than tossing them in your recycling. As our Troop grows, the money we earn is being spread thinner and thinner and we really want to continue to run a program where all the activities can be paid for through the boys fundraising efforts. Please feel free to call if you need a pick up!

Rob Gordon,

City of Quincy
 OFFICE OF THE CITY COUNCIL
 MARGARET E. LAFOREST
 Ward One Councilor
 1305 Hancock St.... Quincy, MA 02169
 617-376-1351 (office) ~ 617-471-1806 (home) www.MargaretLaforest.com

The City of Quincy has kicked off our spring cleaning with the street sweepers completing their routes in Ward One. The DPW Yard is now open on Saturdays for the season and yard waste is currently being picked up weekly.

Cleaner, Greener Quincy is scheduled for Saturday, May 6, 2017 and the Houghs Neck Community Council, HN Garden Club and Boy Scout Troop are already planning for their locations. If you'd like to get involved, please let me know. The Houghs Neck Garden Club has already begun their efforts beautifying our neighborhood and it was great to have them add some color to the welcome rock brightening our gateway.

Mayor Koch is announcing two major Capital Improvement Plans for our City, both of which will support projects in Ward One. Of particular interest is the utilization of Hotel/Motel Tax funds to continue the Houghs Neck Maritime Center Project. While the boat ramp is in the permitting phase and construction will occur later this year, funds are now being proposed to acquire three residential properties; 1303 Sea Street, 126 Bay View Ave, 128 Bay View Ave and the parking lot at Louis. All of these properties are zoned Business B and will be incorporated into the Maritime Center Project. The Maritime Center project has been successful in improving the facility without utilizing any funds from the General Fund as we have received grants from the Seaport Economic Council, Community Preservation and the MA DCR. Just like the

homeowners who have to adhere to FEMA building code regulations, the City of Quincy must also comply to the same regulations for municipal structures. The Maritime Center is currently located in the Velocity Zone on the FEMA map. As improvements needed exceed 50% of the assessed value of the structure, we either need to retrofit the existing structure to be FEMA compliant, or tear down and rebuild a FEMA compliant building. Using the latest Seaport Economic Council grant, we have engaged Wessling Architects, a Quincy firm, to design a new building. We will begin to meet with stakeholders to determine building needs. Last month, Mayor Koch and I met with the Executive Board of the Houghs Neck Community Council to consider whether they'd like to integrate their programs at the new facility or stay in their one room location at 1093 Sea Street. We are just beginning the work on this phase of the project and I will keep The Bulletin posted as we progress. One of the other Capital Improvement Projects, I've been particularly engaged on is the Quincy Animal Shelter and Dog Park. After years of my daughter Krista asking for a dog, many know the story of her negotiations that brought our black lab Sydney to my family. When I first discussed running for office and the sacrifices it would mean for our family, Krista saw the opportunity for reciprocity and asked me to "sacrifice" for the family and agree to adopt a dog. Ever since, I've gotten to value the efforts of those engaged in our Animal Shelter and appreciate the efforts they put in for our furry

friends. I've taken a leadership role on this project for Mayor Koch and the City of Quincy will be building a brand new Animal Shelter and Dog Park at 51 Quarry Street; a twenty two acre parcel of vacant city land across the street from the Sons of Italy.

The most significant project in the CIP is the funding for the Hancock Adams Green. With a temporary civic space connecting City Hall to the Church of the Presidents many have been able to better visualize the potential for the significant improvement this will bring to our downtown experience. The City Council will be vetting all of these projects in detail as we review the two CIPs. I welcome your comments and input.

As a Ward Councilor, I respond to a lot of calls, emails and Facebook posts. One communication I recently responded to was from a concerned resident after receiving a notice on her door that the city is updating property data for the Assessor's Office. I thought others would be interested in my response. The City of Quincy is required by the state to inspect houses who have pulled building permits. 3D Data is a

company the City has contracted with for this purpose. You do not have to let them in your house. However, the law states the city must assume the work is completed per the permit applied for. Info about this is posted on the city's website and there's even a link to where the representatives will be working and when. They use a marked city assessor vehicle, have badges, and wear a reflective vest. The staff are all registered with the Quincy Police as well.

Every two weeks, the Quincy police posts their biweekly crime report. One topic that's heated up lately is vehicle breaks citywide including a rash in Merrymount. Quincy Police reports that in all the Merrymount cases the vehicles were left unlocked and minimal has been taken. They asked that I remind you to please lock your cars to prevent these crimes of opportunity. If you see something strange in the neighborhood, I encourage you to contact Quincy Police Business Line at 617-479-1212 for non-emergency situations. QPD also publishes their crime reports in real time and posts the information on the City website. *Happy Spring! Margaret*
