Company Profile

PT Mentari Promo is coming up to present **ALUSIGN** the new comer brand for Aluminum Composite Panel in Indonesia, which is applying the advance technologies in production lines for ACP Panel Manufacturing. Apart from these sample items, we can also custom-manufacture items according to client's required size and match samples colors. Durable and easy to install, our products are a suitable replacement for wood, pre-painted and an excellent insulator, they are also considered to be an environmentally friendly product. In a bid to provide a better service to our customers, our company provides support for guaranteed quality inspection, and on-the-spot repair. For more information about any of our series, or to place your requirement, please feel free to contact us directly. We hope to receive your detailed inquiry soon, and are looking forward to having the chance of cooperating with you in the near future.

Best regards,

Tony Judianto
