Packaging Suggestions

- Wrap each tool separately with newspaper or bubble wrap, making sure knife tips have doubled wrap over the tip
- Place in proper package and add additional packaging to prevent rattling.
- Include this completed form in the package and ship to the address below.
- For boxes larger than small USPS priority box, add what your shipping charges to us rounded up to the nearest USD
- If we have any questions about the order we will contact you via your E-mail in your Customer Information.
- If you have any questions please contact us at ShearBiz@gmail.com
