

CODE OF CONDUCT

Youth athletes, who participate as part of the Burlington Township Track Club, represent the Burlington Township Track Club organization, sponsors, community partners, and most importantly their families. We expect Roadrunner athletes to demonstrate **character, high moral standards, leadership, responsibility** for one another, and serve as **role-models** for other youth in the community, on and off the track. During practices, trips, and competition, we expect nothing less than the best standards of behavior from our athletes and families. We must be gracious in victory and accept defeat just as graciously.

We believe the sport of Track & Field should be fun but also a significant part of a sound education program. We believe those who coach the youth and work with youth are first and foremost teachers who have a duty to promote life skills and develop good character. All Head Coaches will be responsible for actions of ATHLETES, COACHES and PARENTS who work with this program. All conduct that is deemed as inappropriate will be written up on the enclosed Referral form and submitted to the Athletic Director for further disciplinary action.
