

Planning & Zoning Change

The Planning & Zoning Commission Board of Adjustment is endowed with the following powers and duties:

- Review applications for zoning changes, hear public comments, and make recommendations to the Council regarding such applications.
- Review proposed preliminary subdivision plats, engineering plans, requested plat and plan variances, and proposed restrictive covenants and make recommendations to the Council pertaining to each.
- Recommend to the Council amendments, extensions, and additions to the comprehensive master plan of the city including the planning and zoning ordinance.
- Recommend to the Council changes to the official zoning map of the city.
- When appropriate, make a determination of appropriate zoning or use.

Fees for applications are due at the time application is turned in to the City Secretary.

FREQUENTLY ASKED QUESTIONS

When should I apply?

By law, your application **may** require public hearings. If a public hearing is required, it must take place prior to the consideration of your application. These hearings must be advertised in the local newspaper and direct notice must be provided to any neighboring property owner within 200 feet of the proposed property at least 15 days prior to the meetings. In order to be heard at the next P & Z meeting, you will need to apply AS SOON AS POSSIBLE to allow the City to meet all timelines set out by law.

When will my application be considered?

After the public hearing, your application will be reviewed by the Planning & Zoning Commission (P & Z) and then the City Council. P & Z usually meets the third **Tuesday** of each month at the end of each quarter (March, June, September, and December). The City Council meets on the 2nd and 4th **Mondays** of each month. Depending on the timeline of construction, the P & Z may call a Special Called Meeting to review the application.

What should the letter of justification say?

Some things you should address in the letter of justification are: Does the requested variance violate the intent and spirit of the ordinance? Do special conditions of restricted area, shape, topography or physical features exist that are peculiar to the subject parcel of land and are not applicable to the other parcels of land in the same zoning district? Does the interpretation of the provisions in this ordinance deprive the applicant of rights commonly enjoyed by other properties in the same zoning district that comply with the same provisions?

What happens at the Public Hearing/meetings?

The person chairing the meeting will open the public hearing and invite people to speak about your item. After gathering all public comments, the chair will close the public hearing. At their meeting, the Commission will then consider any public comments made and will make a decision about your application.

So others may talk about my application?

Yes, if your application requires a public hearing, your case will be advertised in the local newspaper. In addition, for most public hearing items, everyone within 200 feet of the property will be mailed a notification letter. Also, all meetings of the Planning & Zoning Commission are open to the public.

How do they decide?

The P & Z looks at local, state and federal laws as well as the City's long-range plan and makes a recommendation to the City Council. Council considers P & Z's recommendation and may approve, deny or approve with conditions.

How much does it cost?

The application fee is based on the City's current Fee Schedule Ordinance. Check the City's Web Site or the Planning Department for the most current Fee Schedule. Please make checks payable to the "City of Cisco".

What type of Property Drawings do I need?

The applicant must provide a legible and reasonable drawing, to scale, illustrating that which is requested. At a minimum, the drawing must show property in question along with all adjacent properties, streets, street names, north arrow and scale of drawing. Identify lots with lot and block numbers and subdivision name or, if not subdivided, a complete metes and bounds description when addressed. For assistance, contact a surveyor. For additional requirements, please refer to City of Cisco's Planning & Zoning Ordinance.
